Sub: Media Statement

Dear Sir / Madam,

In furtherance to the media statement dt. December 26, 2014 issued by the company, we wish to inform you that, in view of the news reports that a consultation paper will be issued shortly by TRAI on issues relating to services offered by OTT players including VOIP, we have decided not to implement our proposed launch of VoIP packs.

We have no doubt that as a result of the consultation process a balanced outcome would emerge that would not only protect the interests of all stakeholders and viability of this important sector but would also encourage much needed investments in spectrum and roll out of data networks to fulfil the objective of digital India.

Kindly take the above information on record.

Thanking you,

Sincerely Yours,

For Bharti Airtel Limited
