Dear Sir,

We wish to inform that we have today sold c.1% shareholding (60 million shares) in Bharti Airtel Limited through a market transaction, for an aggregate amount of ~Rs. 11,200 Crore.

The transaction received very strong orders from Marquee domestic and international Long Only investors, including both new and existing shareholders of Airtel. Accordingly, placements were dominantly allocated to long only investors.

The sale proceeds will be used to strengthen our balance sheet and help maintain a prudent leverage profile.

This is for your information and records.
