Letter of Resignation

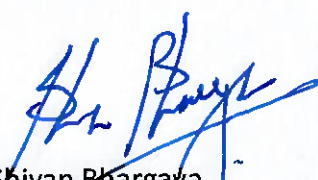

Dear Shashwat,

Please accept my resignation as I am eager to pursue my professional goals outside the organization. In this regard, please consider this note as my formal resignation from Airtel.

I have been deeply honoured to have worked with Airtel which I consider as my alma Matar in two different stints spread over 15 years which has taken me to different geographies both in India and in Africa. Am immensely proud of the work that we as a team could deliver in short time in my role as Director, Customer Experience and more so as The CEO for APT and Kerala circles. Proudest moment being when the two circles were honoured by the Chairman's award for the 'Best people Managed circles'. I am confident that the organization will scale new heights in the future as well and I wish you and the organization all the very best.

Please accept my resignation and I will continue to help the transition to its fruitful conclusion.

Thanking you,
Yours truly
