Auditor's Report on Quarterly Consolidated Financial Results and Consolidated Year to Date Results of Bharti Airtel Limited pursuant to the Clause 41 of the Listing Agreement

To,
Board of Directors of
Bharti Airtel Limited

1. We have audited the quarterly consolidated financial results of Bharti Airtel Limited ('the Company') and its subsidiaries (together referred to as 'the Group') for the quarter ended September 30, 2013 and the consolidated year to date results for the period from April 1, 2013 to September 30, 2013, attached herewith, being submitted by the Company pursuant to the requirement of clause 41 of the Listing Agreement, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been audited by us. These quarterly consolidated financial results as well as the consolidated year to date financial results have been prepared from interim condensed consolidated financial statements, which are the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such interim condensed consolidated financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in International Financial Reporting Standards and IAS 34 Interim Financial Reporting ("IAS 34") issued by International Accounting Standards Board.

2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by the management. We believe that our audit provides a reasonable basis for our opinion.

3. We draw attention to Note 11 to the quarterly consolidated financial results as well as the consolidated year to date financial results, which describe the uncertainties related to the legal outcome of Department of Telecommunication's demand with respect to One Time Spectrum Charge. Our opinion is not qualified in respect of this matter.

4. We did not audit the share of gain in a joint venture of Rs 1,322 million for the quarter ended September 30, 2013 and Rs 2,244 million for the period from April 1, 2013 to September 30, 2013, included in the accompanying quarterly consolidated financial results as well as the consolidated year to date financial results in respect of the joint venture, whose financial statements and other financial information have been audited by other auditors and whose report has been furnished to us by the Management. Our opinion, in so far as it relates to the affairs of such joint venture is based solely on the report of other auditors.
