Sub: Temporary disruption of operations in Jammu & Kashmir due to Floods

Dear Sir / Madam,

Pursuant to clause 36 of the Listing Agreement, we wish to inform that while our network has been down in some parts of Jammu & Kashmir as a result of the unprecedented flooding there, our teams have been able to manage to revive several parts of the network there.

The Company is constantly monitoring the situation and is working with the authorities to normalize the services in the affected areas at the earliest possible.

We believe that this temporary disruption will not cause any material loss in revenues or to the assets of the Company.

Please take the above information on record.

Thanking you,

Sincerely Yours

For **Bharti Airtel Limited**

Rajendra Chopra
Dy. Company Secretary
