SUB.: AN EXPLOSION HAPPENED AT FACTORY SITUATED AT DISTRICT DHENKANAL, ODISHA

Dear Sir,

In compliance with the Listing Agreement with the Stock Exchanges, this is to inform you that on 13th November, 2013, an explosion happened in the slag pit during the trial run of the Blast Furnace No.2 of the Company which was under trial from past three days at the Steel Plant of the Company at Meramandali, District Dhenkanal, Odisha.

The incident led to demise of one person and four persons got injured out of which one is critical. Rescue operations were immediately launched and injured persons were rushed for first aid to Hospitals at Cuttack and at Banarpal.

Management is taking all efforts to take care of the injured person(s) and their families.

Rest of the Plant is under normal operations.

This is for your information and record.

Thanking you,

Yours faithfully,
for **BHUSHAN STEEL LIMITED**
