Encl **:** Press Release

BikeWo Green Tech Signs Strategic MoU with Eden Green Energy to Strengthen Electric Mobility Ecosystem

National, November 2nd 2026: BikeWo Green Tech Limited ("BikeWo") has signed a strategic Memorandum of Understanding (MoU) with **Eden Green Energy Private Limited** to explore collaborative opportunities in **electric mobility, sustainable mechanisation and next-generation transportation solutions.** By combining their respective strengths, both companies aim to identify emerging business opportunities and strengthen their presence across India's evolving electric mobility landscape.

Through this partnership, the companies intend to explore opportunities across electric vehicle fleet solutions, vehicle leasing, charging infrastructure, workforce management, rider management and operational services. The collaboration will leverage BikeWo's capabilities in **vehicle leasing, infrastructure development, business development and EV opportunity identification**, alongside Eden Green Energy's expertise in **workforce management, rider management and operational coordination.**

This partnership is expected to provide a collaborative platform for identifying emerging business opportunities, addressing evolving customer requirements and exploring commercially viable electric mobility solutions. Both companies intend to work together to develop and scale initiatives that support sustainable transportation and contribute to the broader adoption of electric vehicles.

Commenting on the development, **Mr. Hiten Pal Saklani, Chief Executive Officer of BikeWo Green Tech Limited** said, "This strategic association represents an important step in our efforts to strengthen BikeWo's presence across the evolving electric mobility ecosystem. We believe the future of sustainable transportation will be driven by integrated solutions that bring together vehicles, infrastructure, technology and efficient operations. Through our association with Eden Green Energy, we look forward to exploring meaningful opportunities, leveraging complementary strengths and developing scalable business models that address the changing needs of India's mobility sector."

Mr. Bastin Vijay, Managing Director of Eden Green Energy Private Limited said, "Tamil Nadu is rapidly emerging as an important market for India's clean energy transition and industrial EV adoption. Our association with BikeWo Green Tech Limited aligns with our vision of expanding dedicated electric fleet operations and strengthening charging infrastructure across key commercial corridors, including

Chennai, Tiruchirappalli and industrial clusters across the state. By bringing together Eden's regional operational capabilities and BikeWo's experience in EV distribution, infrastructure and mobility solutions, we aim to explore opportunities to build a reliable and scalable zero-emission transportation ecosystem."

This Partnership aligns with BikeWo Green Tech Limited's broader vision of building an integrated electric mobility and logistics platform through vehicle leasing, infrastructure development, technology-led solutions and strategic partnerships. Together, the companies aim to explore new avenues for growth while contributing to India's transition towards cleaner, more efficient and sustainable transportation.

About BikeWo Green Tech Limited

BikeWo Green Tech Limited is building an integrated mobility and logistics platform with capabilities spanning electric mobility, fleet operations, logistics infrastructure and technology. The Company is pursuing strategic investments, partnerships and collaborations to participate across multiple layers of India's evolving mobility and logistics value chain.

About Eden Green Energy Private Limited

Eden Green Energy Private Limited is a party to the strategic MoU with BikeWo Green Tech Limited. The MoU identifies potential areas of collaboration, including workforce management, rider management and operational coordination in support of mutually identified electric mobility opportunities.
