Dear Sir / Madam,

Sub.: Intimation under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”)

We refer to your email dated December 5, 2025 seeking clarification on the news item “Cloudflare down: Outage hits trading platforms like Zerodha, Groww and others” appearing on money control.

In this regard, we would like to state that our online platform, Groww experienced a temporary technical interruption for a few minutes, wherein clients were not able to access the platform. Following our internal review, we have determined that the interruption was caused by a technical glitch in a service provided by our third-party vendor, Cloudflare. We understand that this issue formed part of a global outage that impacted multiple online platforms.

Our online platform has since been fully restored, and all services are operating normally. There was no material impact on business and operations, further, there is no information which is required to be announced to the stock exchanges in terms of the Sub-Para 6 of Para B of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”).

Kindly take the same on record.

Thanking you,
Yours faithfully,
