Dear Sir/Madam,

We are in receipt of your email dated 11th December 2024, and submit our reply to the clarification sought by you:

1. Financial results not submitted as per Indian Accounting Standard.- Consolidated LRR states that CFS includes 2 subsidiaries while only 1 subsidiary financials are included in CFS, please clarify.

Reply: The Auditor in their Report highlighted the Accounting Standards adopted in point No. 2 & 3. In earlier year, the Company had two subsidiaries, out of which one subsidiary's name was struck-off during FY 2023-24. The Auditors in their Report had erroneously mentioned as both Companies even though details of one company's name was given in their Report. The corrected Auditor Report is attached here with along with Financial Results.

2. Financial results submitted is not as per format prescribed by SEBI - Same financials mentioned for standalone & consolidated results

Reply: The Standalone and Consolidated Financial Results with Balance Sheet and Cash Flow submitted separately are as per the format given in the SEBI LODR. Since the subsidiary of the Company does not have much operations, the Standalone and Consolidated statements remains looks same except expenses provided.

3. Machine Readable Form / Legible copy of Financial Results not submitted

Reply: The Financial Results in machine readable format is attached herewith.

4. Financial results not submitted within 30 minutes from end of board meeting.

Reply: Due to sudden low speed of internet, the uploading of Financial Results delayed by few minutes. Please condone the delay due to technical fault.

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial results and Year to Date results of Binani Industries Limited Pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Binani Industries Limited

1. We were engaged to review the accompanying Statement of Standalone Unaudited Financial Results of Binani Industries Limited ('the Company') for the quarter ended 30 September, 2024 and half year ended September 30, 2024 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
2. This Statement which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing specified under section 143(10) of the Companies Act 2013, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

V. P. Thacker & Co.

4. The Company had given corporate guarantees/ Letter of Comfort/ Undertaking in earlier years on behalf of erstwhile subsidiary i.e., Edayer Zinc Limited, the outstanding liability was Rs. 8,025 lakhs as at 30 September, 2024 to banks and financial institutions. In view of the recent change in the management of Edayer Zinc Limited, the Company received confirmation from the new management that it is absolved from present and contingent liabilities. However, the change in the Corporate Guarantor is pending for approval from banks. In respect of erstwhile subsidiary i.e. BIL Infratech Limited, the Company has given the letter of comfort / undertaking amounting to Rs. 5,171 lakhs. In respect of the above, the Company has maintained the provision made in respect of loss allowances amounting to Rs. 2,149.10 Lakhs as at 30 September, 2024 as required by Ind AS 109 – 'Financial Instruments' (*refer note 3 of the Statement*)
5. The Company is in the process of determining the realisable value the remaining Land as at September 30, 2024. Until such determination, the said Land is carried at its book value as at September 30, 2024 instead of its estimated net realisable value as on that date. The Company does not see any significant loss on determination of the realisable value vis-a-vis book value of the Land. (*refer note 3 of the Statement*)
6. The Company had entered into an MOU with M/s Maharashtra Wood Based Industries Estate ('MWBIE') on January 21, 2019 for sale of land in Wada. As per the MOU, the obligations by the buyer were to be completed within 60 days. With lapse of time, the MOU was terminated and termination letters were sent to the Party. Subsequently the land was sold to M/s Afamado Advisory Services Private Limited and the conveyance deed was executed and duly registered. MWBIE has issued a notice and filed a case (SCS265/2021) in the District Civil Court, Thane. The matter is sub-judice, hence the liability, if any cannot be determined.
7. **Emphasis of matter**

We draw attention to Note 2 to the Statement, which indicates that the Company has accumulated losses of Rs. 21,682 lakhs and its net worth has fully eroded as at 30 September, 2024. The Company's liabilities exceeded its total assets by Rs. 18,543 lakhs as at the balance sheet date. Triton Trading Company Private Limited, the promoter company has committed to provide continued operational support to the Company. However, in the absence of any business plan, the going concern assumption is not appropriate for the preparation of the Statement of the Company as and for the year ended 30 September, 2024. Accordingly, the Statement of the Company have been prepared on a liquidation basis i.e., assets are measured at lower of carrying amount and estimated net realisable value and liabilities are stated at their estimated settlement amounts.

Our opinion is not modified in respect of this matter.

V. P. Thacker & Co.

8. Based on substantive nature and significance of the matter described in paragraphs above and except for the possible effects of the matters described therein, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the above financial results:

1 The Standalone Unaudited Financial Results of Binani Industries Limited ('the Company') for the Quarter and Half year ended September 30, 2024 and the Consolidated Unaudited Financial Results of the Company for the Quarter and Half year ended September 30, 2024, have been reviewed by the Audit Committee and approved by Board of Directors at their meeting held on November 08, 2024.

2 The financial results have been prepared in accordance with the accounting principles generally accepted in India relating to the liquidation basis of accounting including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, except where disclosed.

During the half year ended September 30, 2024, the Company had Nil total income (March 31, 2024 - Rs. 28 lakh) and profit/(loss) after tax of Rs. 763 lakh (March 31, 2024 - Rs. (584) lakh). As at September 30, 2024, the Company's accumulated losses were Rs. 21,682 lakh (March 31, 2024 - Rs. 22,444 lakh), which has eroded its paid-up equity capital of Rs. 3,138 lakh. Further, the Company's liabilities exceeded its total assets by Rs. 18,543 lakh (March 31, 2024 - Rs. 19,306 lakh).

Triton Trading Company Private Limited, the promotor company has committed to provide continued operational support to the Company. However, in the absence of any business plan, the going concern assumption is not appropriate for the preparation of financial results of the Company as and for the half year ended September 30, 2024. Accordingly, the financial results of the Company have been prepared on a liquidation basis i.e., assets are measured at lower of carrying amount and estimated net realisable value and liabilities are stated at their estimated settlement amounts in the financial results except for the items in paragraph 3 below.

3 The Company had given Corporate Guarantees to Edayar Zinc Ltd. (EZL) and Letter of Comfort / Undertaking to BIL Infratech Limited through banks in the earlier years for the purpose of working capital requirements. The aggregate outstanding balance of EZL as at the half year ended September 30, 2024 is Rs. 8,025 Lakh (excluding Interest) (March 31 2024: Rs.8,025 Lakh). Edayar Zinc Limited (EZL, erstwhile subsidiary) has entered into One Time Settlement (OTS) with bank. Mina Ventures Private Limited has consented to replace the Corporate Guarantee of the Company given to the Bankers of EZL and have also consented to take care of the entire liabilities (present and contingent) of EZL without recourse to Binani Industries Limited. The change in the Corporate Guarantor is pending approval from the Bank. EZL ceased to be a subsidiary with effect from March 04, 2022. Further, for BIL Infratech Limited, the Company had issued letter of comfort / undertaking for Rs. 5,171.20 lakh. In the absence of determination of liability to be incurred for such corporate guarantees/letter of comfort, the Company has made the provision for loss allowance of Rs. 2,149.1 lakh in respect of such corporate guarantees/Letter of Comfort given.

Since the financial results of the Company for the half year ended September 30, 2024 are prepared on liquidation basis, the Company has estimated and provided for various liabilities/expenses that is expected to arise, except for the following:

a. As mentioned above, the Company has not provided for estimated liabilities towards Corporate Guarantees/Letter of Comfort extended to its erstwhile subsidiary EZL & BIL Infratech Limited outstanding as at September 30, 2024, except for provision for loss allowance of Rs. 2,149 lakh.

b. The Company is in the process of determining the realisable value of the remaining Land as at September 30, 2024. Until such determination, the said Land is carried at its book value as at September 30, 2024 instead of its estimated net realisable value as on that date. The Company does not see any significant loss on determination of the realisable value vis-a-vis book value.

Notes to the above financial results:

4 Pursuant to a separate Scheme of Amalgamation approved by the Hon'ble High Court at Kolkata between Wada Industrial Estate Limited (WIEL) and an erstwhile step down wholly owned subsidiary of the Company on March 18, 2014, being the Company as a successor to WIEL (the scheme), the Company had applied AS 30, Accounting Standard on Financial Instruments: Recognition and Measurement (AS 30), issued by the Institute of Chartered Accountants of India (ICAI), and pursuant thereto has as on March 31, 2014, being the date of conclusion of the first Accounting Year post the provisions of AS 30 becoming applicable to the Company, classified the investments as "available for sale financial assets" and has accordingly, measured such investments at fair value as on that date. All amounts required to be taken as per AS 30 to revenue reserve or to an appropriate equity account shall be aggregated and such aggregate shall be taken to the Business Reorganisation Reserves (BRR). As mentioned in the Scheme, In the event of any conflict between the provision of AS 30 and any other Accounting Standards, the provisions of AS 30 will be applied in preference to any other Accounting Standard. BRR shall constitute a reserve arising as per this Scheme and shall not for any purpose be considered to be a Reserve created by the Company.

During the year 2016, the Institute of Chartered Accountants of India (ICAI) has withdrawn AS 30. Consequent to this, the Company has applied principles of notified Ind AS 109 related to Financial Instruments being new accounting standards applicable instead of AS 30. All equity investment including Investment in Subsidiaries are fair valued. Accordingly, all amounts required to be taken as per the Financial Instruments Standards under Ind AS to revenue reserve or to an appropriate equity account / Other Comprehensive Income are aggregated and such aggregated amount is taken to Business Reorganisation Reserves (BRR).

Owing to Company's decision of preparing its financial results on liquidation basis, this reserve was adjusted against accumulated losses as at March 31, 2024.

5 The Company is hopeful of recovering the loans extended to Global Composite Holding Inc., a wholly owned foreign subsidiary of the Company. The amount outstanding as on September 30, 2024 is Rs. 15 lakh (March 31, 2024- Rs 17 lakh) and on basis of the Company's discussion with the management of Global Composite Holding INC, the Company believes these receivables are good and no provision is considered necessary in respect of this outstanding balance.

The subsidiary of the Company, Royal Vision Private Limited ('the Subsidiary'), had made an application to ROC for Strike off on 26 March 2024. The company has been struck off from Register of Companies in the first quarter.

6 For the Assessment Year 2023-2024, vide Intimation dt.25.01.24, Income as per return is accepted.

Refunds of other years adjusted against demand of Rs.409.66 Lacs. BIL filed writ petition with Kolkata High Court in September 2024 as AO is not giving effect to CIT(A) and ITAT Order.

Department has filed Appeal before High Court Appeal No. I.T.A. No. 38 of 2004 at Calcutta against the ITAT order.
