DRUGMAKER LOSES \$678 MILLION IN MARKET VALUE

Dr Reddy's delays supply of semaglutide medicine

REUTERS

Dr Reddy's Laboratories said on Thursday it will delay supplies of its generic diabetes drug due to an issue with the active pharmaceutical ingredient, erasing \$678 million from its market capitalisation.

STALLED SUPPLIES

Dr Reddy's said certain batches of semaglutide were found to be "out of specification". The firm did not specify until when the supply disruption would last.

Shares of the firm closed 5.9% lower at ₹1,269.50 in its steepest decline in more than three years.

launched lower-cost copies of Novo Nordisk's Ozempic and Wegovy, ying for a share of the fast-growing global obesity treatment market.

Torrent Pharma recalls batches of Semalix injection

TORRENT PHARMACEUTICALS said it is implementing a voluntary recall as a precautionary measure for select batches of Semalix injection disposable pens used for diabetes treatment.

also launched their semaglutide brand in India, which has the second-biggest diabetic population globally.

Pepsico India biz logs strong Q2 volume growth

AMERICAN FOOD AND beverage major PepsiCo on Thursday said its India business saw strong volume growth, pushing up the organic revenue international of its growth.

The firm said the international food organic revenue growth was broad-based and markets including Mexico, Colombia, Argentina, India, China, Germany and Poland performed well also.

Adani to file affidavit in US court this week

ADANI GROUP CHAIRMAN Gautam Adani will file this week a sworn affidavit in a US federal court stating whether he is aware of any promise, agreement or benefit linked to the US government's decision to dismiss a criminal indictment against him.

The order of Judge Nicholas Garaufis directed Adani to file the affidavit by July 15 before ruling on the Justice Department's motion to dismiss the indictment with prejudice.

The judge asked Adani to state whether he is aware of any promise, offer, agreement or benefit connected to the dismissal, or of any exchange made in return for the charges being dropped.

The Adani group did not offer any comment on the issue, saying the matter is subjudice.

Marico targets ₹15,000-crore revenue in FY27

VIVEK SUSAN PINTO, Mumbai, July 9

GROWTH ROADMAP

Marico is increasing its focus on premium and digital-first brands. The firm reiterated its vision 2030 goal of reaching ₹20,000 cr in revenue in next four years.

Its digital-first portfolio crossed an annualised revenue run rate of ₹1,100 crore in FY26.

We aim to expand our total addressable market further to 3x by FY30.

FY26 from 27% in FY20, with the company targeting a 50% share by FY30. Marico has accelerated direct-to-consumer acquisitions in recent years as competition intensifies and younger consumers increasingly gravitate towards digital-first brands.

Marico expects to maintain top-quartile volume growth in its international business in FY27.

India secures Australian uranium for energy push

MODI CALLED the nuclear energy agreement a key clean-energy outcome of the bilateral talks. Today, we have signed an important agreement in the field of nuclear energy.

markets-and rules-based trade," the statement said. The two countries also recognised Australia's role as an important supplier of liquefied natural gas to India and India's role as a supplier of liquefied natural gas to Australia.

both leaders reaffirmed commitment to critical minerals cooperation and underlined the need for partnerships among government agencies, public and private companies and research institutes to promote investment, secure long-term supply and offset arrangements, and support processing and value-addition capabilities.

New regulatory scrutiny looms over Meta for Muse Image

PRABHU RAM, VICE president, industry research group at CyberMedia Research, said Meta's move changes the meaning of a public profile to being merely visible online to becoming source material for AI-generated content.

Rural market lifts Q1 FMCG growth

THE SOUTHWEST MONSOON has covered the entire country, according to the India Meteorological Department (IMD), after a delayed June advance. The sharp early July revival, with the country recording a 2.3% excess rainfall, has eased kharif concerns even as regional deficits persist.

intenses as predicted, it will farm output and incomes. This will in turn spend power in rural areas in the months ahead, Harish Bora, analysts head, Bizon, said. "We are seeing a sharp upturn in signs of rural distress right now. But El Niño is a key monitorable," Mohit Malhotra, global CEO, Dabur, said.

Dabur, Agri, Marico, Godrej and AWL Agri, Marico indicate that demand conditions have been stable in the months ahead, but the rural market will be muted. It also said that the rural market will be muted.

consumer sentiment and cautiousness have weighed on purchases in larger cities, Bora said. For FMCG companies, the sequential improvement in overall market offers some encouragement after the March quarter was marred by geopolitical uncertainty led by the Iran war.
