Subject: Resignation as an Independent Director of the Company

I wish to convey my resignation from the Board of your esteemed company. It was not an easy decision. It was an interesting assignment and I did get exposure to a different business sector and the learnings that it entailed definitely added value. I will miss the interactions with my colleagues at the Board as also the management of the company. However, I am constrained to take this step as I am unable to juggle some of my personal and professional responsibilities to devote enough time at this stage.

I hereby confirm that there are no other material reasons for my resignation other than those mentioned above

I would like to thank the entire Board and the management team for their inputs which have made me richer and I wish the company and management great success in the future years.

Regards,

Padmini Khare Kaicker
