## **Blue Dart Express Limited receives UNFCCC Certification for its Climate Neutrality Efforts**

**Mumbai, 29<sup>th</sup> August 2023** - Blue Dart Express Limited, South Asia's premier express air and integrated transportation & distribution logistics Company, has achieved significant recognition and certification by the United Nations Framework Convention on Climate Change (UNFCCC) under its esteemed #ClimateNeutralNow initiative. This accolade highlights Blue Dart's unwavering commitment to sustainability and environmental stewardship.

The UNFCCC's #ClimateNeutralNow initiative is a global movement aimed at addressing climate change and achieving a climate-neutral world by 2050, in line with the objectives of the Paris Agreement. Participants of this initiative, including Blue Dart, must annually report their actions to measure, reduce, and contribute towards climate neutrality.

Blue Dart has received Silver in both the "Reduce" and "Contribute" categories, along with Bronze in the "Measure" category. These recognitions demonstrate Blue Dart's dedication to climate neutrality and their efforts to combat climate change.

The "Reduce" and "Contribute" categories showcase Blue Dart's active role in reducing greenhouse gas emissions and contributing to the global effort in combating climate change. The "Measure" recognition emphasizes Blue Dart's commitment to accurately measuring its carbon emissions. By gaining a comprehensive understanding of its environmental impact, the company can better strategize and implement effective measures to reduce its carbon footprint. As part of the 'Mission 2050 - Net Zero Emissions' target set by the DHL Group, Blue Dart is dedicated to playing its part in creating a healthier and more sustainable future for all.

**Ketan Kulkarni, Chief Commercial Officer, Blue Dart Express Limited**, expressed his pride in the company's achievements, stating, "We are honored to be recognized by the UNFCCC for our climate neutrality efforts. At Blue Dart, we believe in taking responsibility for our environmental impact, and these recognitions are a testament to our commitment to sustainability. We will continue to work towards our 'Mission 2050 - Net Zero Emissions' goal; contributing positively to a more eco-friendly and environmentally conscious future for us all."

This recognition from the UNFCCC further cements Blue Dart's unwavering commitment to sustainable business practices, showcasing the company's responsible corporate citizenship. Through continuous efforts, Blue Dart continues to lead the way in promoting environmental responsibility and sustainable growth.
