PRESS RELEASE

Al-Futtaim technology for buildings energy efficiency services signs exclusive distributor agreement with Blue Star for its applied systems

Dubai, June XX, 2016: Al-Futtaim technology for buildings energy efficiency services has signed an agreement with Blue Star Ltd, India's leading air conditioning company, for exclusive distribution of its air handling units, fan coil units, chillers and variable refrigerant flow (VRF) systems across the UAE.

The agreement was recently signed by Dawood Ozair, Senior Managing Director of Al-Futtaim Engineering and Technologies and Vir S Advani, Managing Director of Blue Star Ltd.

"We are extremely pleased to partner with Blue Star and look forward to a long and successful relationship. Through this association, we are in a position to provide innovative and cost-effective cooling solutions for various construction sectors including shopping malls, hotel buildings, and residential complexes as well as commercial towers," said Dawood Ozair, Senior Managing Director of Al-Futtaim Engineering and Technologies.

Vir S Advani, Managing Director, Blue Star Ltd said "Blue Star takes pride in associating with Al-Futtaim, a professional company of high repute, to provide industry-leading products to customers across the UAE. With a rich experience spanning across seven decades, Blue Star's products are backed by robust R&D and world-class manufacturing, and Al-Futtaim's well-entrenched network of consultants and contractors will ensure an extensive reach of our applied air conditioning solutions in the UAE market."
