Dear Sirs,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”)

Pursuant to Regulation 30 read with Part B of Schedule III of the Listing Regulations, we hereby inform you that the Company has received a communication from Oil Marketing Companies (OMCs) regarding the restriction of supply of LPG due to a force majeure situation arising from the ongoing conflict in the Middle East and its consequent impact on global fuel supply.

In view of the above, the production activities at the Company’s Borosilicate Glass Furnace for Pressware Products and its Opal Glass Furnaces, all located at Jaipur, Rajasthan, have been impacted. While production at the Borosilicate Glass Furnace has been temporarily suspended, the Opal Glass Furnaces have been operating at lower capacities.

The Company is actively coordinating with OMCs and the relevant government authorities to secure the supply of LPG, which is essential for production, to ensure continuity of production activities to the extent feasible. We are evaluating the impact arising from the ongoing disruption in the supply of LPG. The Company is actively monitoring the situation and will continue to update the stock exchanges with any material developments in this regard.

The details, as required under Regulation 30 of the Listing Regulations, read with SEBI’s Master Circular updated as on January 30, 2026, are provided in **Annexure - A**.

This is for your information and record, please.

This intimation is also being uploaded on the Company's website at www.borosil.com.

Thanking you.

Yours faithfully,
For **Borosil Limited**

Bhaunik Shah
Interim Company Secretary & Compliance Officer
