None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, directly or indirectly concerned or interested, financially or otherwise, in the resolution set out at Item No. 1, 2 & 3 of this Notice.

Accordingly, the Board of Directors recommends the resolution set out at Item No. 1, 2 & 3 of this Notice for approval by the Members by way of Ordinary Resolution.

ITEM No. 4

The Non-Executive Directors (including Independent Directors) play a pivotal role in maintaining robust corporate governance, offering strategic foresight, and providing constructive advice to the management of the Company and in turn safeguarding the long-term interests of the Company and its stakeholders Over the years, the scale, complexity, and strategic diversity of the Company's business operations have expanded substantially, accompanied by increased governance, fiduciary, and regulatory responsibilities.

To fairly compensate the Non-Executive Directors for their time, commitment, and valuable contributions, and to align company's practices with prevailing industry benchmarks, and thereby reinforcing the Company's commitment to robust corporate governance practices, the payment of remuneration by way of commission to the Non-Executive Directors is proposed.

In terms of Section 197 of the Companies Act, 2013 remuneration may be paid to a Director who is neither a Managing Director nor a Whole-time Director of the company, by way of commission not exceeding one percent (1%) of the net profits of the Company, computed in accordance with the provisions of Section 198 of the Act. Further, the commission payable to Non-Executive Directors is determined by the Board, based on the recommendation of the Nomination and Remuneration Committee ("NRC"), within the overall ceiling approved by shareholders i.e., as prescribed under the Companies Act, 2013.

The Members' might recall that the Company at its 66th Annual General Meeting held on August 24, 2018, had sought approval for the payment of remuneration by way of commission to the Non-Executive Independent Directors of the Company, not exceeding one percent (1%), in aggregate of the Net Profits of the Company computed in accordance with the provisions of Section 198 of the Act **subject to an overall maximum cap of ₹ Three Crores only.**

While Section 197 of the Act does not require shareholders' approval so long as such payments remain within the prescribed limits, Regulation 17(6) of the SEBI (Listing Obligations and Disclosure Requirements) 2015 ("SEBI Listing Regulations") requires explicit shareholder approval for remuneration payable to Non-Executive Directors (NEDs), including Independent Directo₹ The aggregate commission payable to Non-Executive Directors shall not exceed 1% of the net profits of the Company or such other limit as may be prescribed under the Act from time to time. **This resolution does not seek any increase in the overall limit and only enables continuation of the existing framework within the statutory ceiling except for removal of ₹ Three crores cap (₹ 3 crores).**

It may be noted in this regard that although the Member's approval is sought for the payment of a commission up to one percent (1%) of net profits of the Company for each financial year, the actual commission paid to the Directors per annum is as per the remuneration policy of the Company and is subjected to a review and recommendation by the Nomination and Remuneration Committee and approval by the Board and is normally restricted to a fixed sum, which is well below the statutory limit. Presently, the commission paid to the NEDs is ₹ 50 Lakhs per annum as fixed commission.

In addition to the Fixed Commission, the Chairman also receives ₹ 9 Lakhs as the Chairman of the Board, ₹ 5 Lakhs each to the Chairperson of the Audit Committee and the Nomination and Remuneration Committee, ₹ 4 Lakhs to Chairman of the Risk Management Committee and ₹ 3 Lakhs each to the Chairman of the Corporate Social Responsibility and Stakeholder Relationship Committee.

The aggregate commission paid to NEDs for the FY 2025-26 constitutes ~0.10% of Net Profits of FY 2025-26.

Amount in ₹

Name of the Non-executive Director	Commission
Mr. Soumitra Bhattacharya	59,00,000
Ms. Hema Ravichandar	55,00,000
Dr. Gopichand Katragadda	56,00,000
Dr. Pawan Kumar Goenka	54,00,000
Ms. Padmini Khare	55,00,000
Total	**2,79,00,000**

The Members may note that Mr. Stefan Grosch, Non-Executive Director, has waived off his remuneration as a director.

The Board will consider market practices adopted by comparable companies in terms of size, complexity of operations, industry, revenue, market capitalization, and governance requirements while approving the remuneration for the relevant financial year. The remuneration will be within the limits prescribed under the Companies Act 2013 and other applicable regulations. The Board will determine the remuneration based on the contribution of the NEDs in guiding the Company's long-term strategy, strengthening governance practices, overseeing risks, and supporting sustainable value creation for stakeholders. The remuneration will be commensurate with the roles, responsibilities, experience, expertise, time commitment, and contribution by the NEDs towards the Company.

In case of absence or inadequacy of profits in any financial year, remuneration shall be governed by the provisions Schedule V and other applicable provisions of the Act. In such an event, the Company shall seek the requisite approval of the Members for payment of such commission. No approval of the Central Government will be required for the said payment of commission, since it is within the prescribed limits as specified under section 197 of the Act.

The commission payable to Non-executive Directors shall be in addition to the sitting fees payable for attending meetings of the Board and Committees thereof, and reimbursement of expenses, as may be permitted under the Act and applicable regulations and as may be decided by the Board of Directors from time to time.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, directly or indirectly concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of this Notice, except the Non-Executive Directors of the Company to the extent of commission that may be payable to them.

Accordingly, the Board of Directors recommends the resolution set out at Item No. 4 of this Notice for approval by the Members by way of Ordinary Resolution.

The members may note that the corporate guarantees provided by Robert Bosch GmbH are not independent-related party transactions. They are an integral and inseparable part of the lending arrangement approved by the shareholders. The guarantees merely secure the repayment obligations of the borrowing group companies in respect of the loans extended by the Company and do not constitute a separate commercial arrangement between the Company and Robert Bosch GmbH.

While seeking shareholders' approval for the lending transactions in the previous year, the Company had expressly disclosed in the explanatory statement that the loans extended by the Company would be backed by corporate guarantees issued by Robert Bosch GmbH covering both the principal and the applicable interest. Accordingly, shareholders approved the lending structure in its entirety, including the guarantee mechanism. The company has not given any guarantee, but the parent company has provided.

We reproduce below the extract of the Explanatory Statement of last year's AGM Notice for your reference:

Explanatory Statement to the resolution no.11 viz., for the Approval for providing loans to Companies for a further period of 5 years from December 12, 2025, in which Directors of the Company are interested.

The terms and conditions for the loan including any loan represented by a book debt or guarantee given or Security provided in connection with any loan taken by any of the borrowing Companies in whom any of the directors of the Company are interested shall be on arm's length basis and the loans shall be secured by the Corporate Guarantee of Robert Bosch GmbH, the Holding Company.

Accordingly, shareholders approved the lending arrangement together with the disclosed guarantee structure. The corporate guarantee is not an independent transaction but an integral feature of the approved lending arrangement.

The amounts disclosed in the Annual Report (₹15.5 billion in FY2024-25 and ₹16.1 billion in FY2025-26) represent the outstanding value of the guarantees supporting the approved lending arrangements and have been disclosed in compliance with the applicable accounting standards and disclosure requirements. Such disclosure should not be construed as evidence of a separate-related party transaction requiring independent shareholder approval.

The current resolution seeks shareholder approval for the material related party transactions with Robert Bosch GmbH in accordance with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company has identified and included all transactions requiring shareholder approval under the applicable regulatory framework. Since the corporate guarantees are integral to, and form part of, the shareholder-approved lending arrangements, they have not been treated as separate transactions for approval.

The said transaction, being a material Related Party Transaction, requires prior approval of the Members of the Company in accordance with Regulation 23 of the SEBI Listing Regulations.

Whilst the approval of the members is being sought for the total value of RPT's, the value shown against various categories of nature of transactions above are indicative and may vary inter se. However, the total value of RPTs will remain within the revised overall limit of ₹ 11,500 crores, as may be approved by the members.

Members may note that in terms of the provisions of the SEBI Listing Regulations, the related parties as defined there under (whether such related party(ies) are a party to the aforesaid transactions or not), shall not vote to approve Resolution under Item No. 5.

Further the members may note that none of the Directors and KMPs of the Company and/or their

respective relatives are, in any way, concerned or interested either directly or indirectly, financially or otherwise in the Resolution set out at Item No. 5 of the accompanying Notice.

Based on the review and approval of the Independent Directors on the Audit Committee; the Board of Directors recommends the Ordinary Resolution contained in Item No. 5 of the accompanying Notice to the Members for their approval.
