Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Bosch Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Bosch Limited (the "Company") for the quarter ended September 30, 2026 and year to date from April 01, 2026 to September 30, 2026 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to unaudited consolidated financial results for the quarter and six months ended September 30, 2026

Note 4. The above unaudited consolidated financial results were reviewed by the Audit Committee. The above unaudited consolidated financial results were approved by the Board of Directors at their meeting held on November 06, 2026. The limited review, as required under Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, has been completed by the Statutory Auditors for the quarter and six months ended September 30, 2026 and they have issued an unqualified conclusion on the aforesaid results.

Note 5.a. On January 28, 2025, the Board of Directors of the Holding Company approved to execute the Business Transfer Agreement with Keenfinity India Private Limited ("the Purchaser") for transfer of its "Video solutions, Access and Intrusions and Communication systems" Business (Specified Business) for a consideration of Rs.5,950 million (excluding purchase price adjustment). The transfer of business was completed on May 01, 2025 and accordingly, the Holding Company has recognised a total gain on sale of the said Specified Business in the financial results amounting to Rs.5,560 million and the same has been disclosed as "exceptional item" in these unaudited consolidated financial results.

The specified business did not qualify as a separate major line of business under IND AS 105 : Non current Assets held for sale and discontinued operations and accordingly was not considered as a "discontinued operation" for the purpose of these unaudited consolidated financial results.

Note 5.b. During the current quarter, the Group has decided to discontinue employee benefits towards service recognition for long term service for managerial staff, with effect from January 01, 2027. Accordingly, the provision towards long term service award amounting to Rs.1,304 million has been reversed and disclosed under "Exceptional Items" in these unaudited consolidated financial results for the quarter and six month ended September 30, 2026.

Note 5.c. With effect from July 1, 2026, Bosch Limited ("RBIN") acquired 100% of the equity shares of Bosch Chassis Systems India Private Limited ("RBIC") for a total consideration of Rs.90,238 million, after obtaining the requisite approvals. The aggregate purchase consideration of Rs.90,238 million was settled through a combination of cash consideration of Rs.90,151 million and issuance of 2,460 equity shares of RBIN valued at Rs.87 million including securities premium of Rs.86.97 million. Consequently, RBIC became a wholly owned subsidiary of RBIN. As RBIC was under the control of the same ultimate holding company both before and after the acquisition, the transaction constitutes a business combination under common control in accordance with Appendix C to Ind AS 103, Business Combinations. Accordingly, the business combination has been accounted for using the pooling of interests method, and the assets, liabilities and reserves of RBIC have been incorporated in these unaudited consolidated financial results at their existing carrying amounts.

Effective April 1, 2025, RBIC revised its method of depreciation from the straight-line method to the diminishing balance method to align with the depreciation method followed by RBIN. Consequently, additional depreciation expense of Rs.775 million has been recognised in the comparative financial information for the six months ended September 30, 2025 included in these unaudited consolidated financial results. Accordingly, profit before tax for the six months ended September 30, 2025 is lower by Rs.775 million.

The comparative consolidated financial information for the quarter and six months ended September 30, 2025, as at and for the year ended March 31, 2026, and for the quarter ended June 30, 2026, together with the related information, has been restated as if the business combination had occurred on April 01, 2025, in accordance with the requirements of Appendix C to Ind AS 103.

Note 6. The final dividend declared at the board meeting held on May 20, 2026 amounting to Rs.270/- per equity share of Rs.10/- each has been paid during the quarter ended September 30, 2026.

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Bosch Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entity for the quarter ended September 30, 2026 and year to date from April 01, 2026 to September 30, 2026 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:
   a) Bosch Limited (Holding company or Parent)
   b) Bosch Chassis Systems India Private Limited (Subsidiary)
   c) MICO Trading Private Limited (Subsidiary)
   d) Robert Bosch India Manufacturing and Technology Private Limited (Subsidiary)
   e) Autozilla Solutions Private Limited (Associate)
   f) Newtech Filter India Private Limited (Associate)
   g) Prebo Automotive Private Limited (Jointly Controlled Entity)

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter

We draw attention to Note 5.c. to the accompanying Statement, which describes the accounting for the business combination under common control in accordance with Appendix C to Ind AS 103, "Business Combinations". Accordingly, the comparative consolidated financial information for the quarter and six months ended September 30, 2025, as at and for the year ended March 31, 2026, and for the quarter ended June 30, 2026, together with the related information, has been restated to give effect to the aforesaid business combination, as further explained in the said note.

Our conclusion is not modified in respect of this matter.

7. The accompanying Statement includes the unaudited interim financial results and other financial information, in respect of:

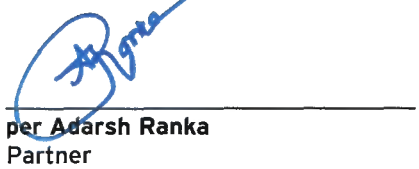

- 2 subsidiaries, whose unaudited interim financial results include total assets of Rs. 2 million as at September 30, 2026, total income of Rs 0 million and Rs 35 million, total net profit/(loss) after tax of Rs. 0 million and Rs. 31 million, total comprehensive income/(loss) of Rs. 0 million and Rs. 31 million, for the quarter ended September 30, 2026 and the period ended on that date respectively, and net cash (outflows)/inflows of Rs.
