the best work places in the Real Estate Industry.

PRESS RELEASE

For Immediate Release

BRIGADE GROUP REOPENS ITS HOTELS FROM JUNE 8TH, 2020

Bangalore, 7 June 2020: Following the Unlock 2.0 norms, Brigade Group, Bangalore is all set to reopen its hotels to the public from Monday, June 8th, 2020.

These include the 3 Grand Mercure hotels in Bangalore, Mysore and GIFT City Gandhinagar, Sheraton Grand Bangalore at Brigade Gateway, Holiday Inn Bengaluru Racecourse and Four Points by Sheraton Kochi Infopark.

Strict safety & hygiene procedures have been put in place to comply with the SOPs laid down by the Government to protect guests' and employees' safety & well-being.

Our hotels have further improved their safety standards and are scrupulously following extreme cleanliness and operational protocols formulated under the safety labels launched respectively by our International Operators. The new protocols follow all the fundamental norms laid down by the government, including social distancing, temperature checks and mandatory usage of facemasks. Our Operators have gone beyond and have implemented additional measures that include seamless check-in and check-out, contactless payment options, thorough deep cleaning of guest rooms and public areas with the industry's safest products, installation of sanitizer stations, improved F&B standards in restaurants and upgraded food procurement and handling and packing processes in the kitchens.

The hotel staff are being trained regularly and rigorously to adapt to the new way of operating and following high safety measures to create a safe space for guests to stay and dine in as well as for themselves to work in.

Takeaway and food delivery will continue to be a focus area for our hotels. The teams have ensured selection of quality dishes in their menus, best suited for safe delivery, and have worked on improved packaging along with contactless delivery.

As a small gesture of our solidarity, we are extending a special discount of 30% on Dine-In services to all Doctors and Healthcare workers who have rendered Yeoman service to our nation during this crisis.
