PRESS RELEASE

Brigade Conferred ESG India Leadership Award for Leadership in Green Product and Service

Bengaluru, 08 Oct 2021: Brigade Enterprises Limited has been conferred with the **Leadership in Green Product and Service** by ESGRisk.ai in recognition of their excellent practices and initiatives in building a green and energy-efficient real estate portfolio. Eleven leading developers in the country were assessed for the Leadership in Green Product and Service Award.

Brigade has embarked on the journey of sustainability reporting to its stakeholders under Global Reporting Initiative (GRI) Standards for the past few years.

Commenting on winning the award, Ajay Koshy, Head-Design Management, Brigade Enterprises Ltd said, "Over the last few years, we have shifted our focus towards developing a portfolio of green buildings. This award underlines Brigade Group's dedication towards green buildings and sustainable practices. As a responsible developer, we make conscientious efforts to ensure that sustainable infrastructure is put in place for each of our projects, furthermore, majority of our commercial projects are LEED/ IGBC certified. We are greatly honoured to receive this prestigious award."

"Regulators and consumers are increasingly demanding green products and services. Initiatives to introduce, develop and market green products and services are becoming crucial. Brigade Enterprises Ltd, acclaimed for its energy-efficient real estate portfolio, boasts green buildings across the country and ensures the integration of Green Building norms in all projects. The company has emerged as leader in Green Product and Service in ESG India Leadership Awards 2021. Congratulations to successfully espousing the concept of sustainability." - Sankar Chakraborti, Chairman-ESGRisk.ai and Group CEO- Acuité

The ESG scores are based on a wide range of 739 data points and 525 indicators that have been selected and assigned weights based on their materiality and relevance to specific industries. Each score provides a summary of the corporate's ESG strategy, initiatives, results, and negative news across 19 critical themes including energy, emissions, water, environmental management, ESG reporting, human rights, community, supply chain, and shareholders' rights among others.

About ESGRisk.ai:

ESGRisk.ai (ESG Risk Assessments & Insights Limited) is India's first ESG Rating company and is a wholly owned subsidiary of Acuité's Ratings & Research Limited. ESGRisk.ai's assessment methodology covers company performance on Environment, Social and Governance parameters as well as their reporting transparency.
