Dear Sirs,

We refer to our letter dated 6th June, 2018 offering clarifications on a media report titled "UltraTech wins copy right infringement case against Everest".

We would like to further clarify that Everest Industries as referred to in our letter is a partnership firm registered under the Partnership Act, 1932 having its registered office at Rajkot and not Everest Industries Limited, a company listed on the stock exchanges.

The same is for information please.

Thanking you,

Yours faithfully
For UltraTech Cement Limited
