Forex reserves see big fall of \$6.24 bn

PRESS TRUST OF INDIA
Mumbai, February 12

THE COUNTRY'S FOREIGN exchange reserves declined by a massive \$6.24 billion to reach \$583.945 billion for the week ended February 5, the RBI data showed on Friday. In the previous week, the reserves had touched a record high of \$590.185 billion after rising by \$4.852 billion.

In the reporting week ended February 5, the decline in the forex kitty was mainly on account of a fall in foreign currency assets (FCAs), a major component of the overall reserves. FCAs decreased by \$4.88 billion to \$542.338 billion, weekly data from the Reserve Bank of India (RBI) showed.

Expressed in dollar terms, the foreign currency assets include the

effect of appreciation or depreciation of non-US units like the euro, pound and yen held in the foreign exchange reserves. The gold reserves decreased by \$1.327 billion to \$34.967 billion in the reporting week.

The special drawing rights (SDRs) with the International Monetary Fund (IMF) dipped by \$6 million to \$1.503 billion. The country's reserve position with the IMF declined by \$27 million to \$5.138 billion in the reporting week, according to the data.

Rajnish Kumar to be exclusive advisor to Kotak Group's \$1-bn stressed assets fund

PRESS TRUST OF INDIA
Mumbai, February 12

FORMER SBI CHAIRMAN Rajnish Kumar was on Friday appointed the exclusive advisor to a \$1-billion

stressed assets fund floated by the Kotak Mahindra Bank group. Earlier this week, there were reports of global private equity major Baring Private Equity Partners appointing Kumar as an advisor.

Kotak Investment Advisors (KIAL) on Friday said Kumar will be the "exclusive advisor for its \$1-billion special situation fund". KIAL had announced a fund-raise of \$1 billion in August 2019, anchored by a \$500-

million commitment from Abu Dhabi Investment Authority, a sovereign wealth fund. According to reports, KIAL was to invest the money over a four-year period while the overall fund life was pegged at 10 years.

CCI sells 1.28 crore bales to millers and traders

FE BUREAU
Pune, February 12

THE COTTON CORPORATION OF India (CCI) has sold around 1.28 crore bales (170 kg each) to millers and traders in the 2020-21 season, top officials at the corporation said. In addition to domestic sales, the CCI has also sold 30,000 bales to Bangladesh last week, Pradeep Agrawal, CMD of the CCI, told FE.

"CCI has sold almost all stocks of the previous season of around 108 lakh bales and some 20 lakh bales from the current season, which means a total of 128 lakh bales or 1.28 crore bales. Last year, the CCI had stocks of 115 lakh bales and only 7 lakh bales remained unsold," Agrawal said.

According to data available on the CCI website, the Committee on Cotton Production and Consumption (CCPC) — a body represented by growers, traders, textile industry and officials of ministries of textile and agriculture — has estimated the carryover stocks at 120.95 lakh bales for the current season. The CCPC has estimated that India could still carry over a high 97.5 lakh bales of cotton stocks to the next season, while the Cotton Association of India (CAI) has estimated it at 115 lakh bales.

The CAI had estimated cotton production at 360 lakh bales, which is the same as the previous season. The US Department of Agriculture, however, has pegged Indian cotton production at 371 lakh bales against its initial projection of 377 lakh bales.

According to Agrawal, the CCI

has procured some 92 lakh bales this season. With kapas (raw unginned

cotton) prices crossing ₹6,200 per quintal, farmers no longer require CCI intervention and minimum support price (MSP) purchase continues only in rural far-flung areas," he said, adding that only some 8,000 to 10,000 bales are being purchased on a daily basis.

The CAI had estimated cotton production at 360 lakh bales, which is the same as the previous season. The US Department of Agriculture, however, has pegged Indian cotton production at 371 lakh bales against its initial projection of 377 lakh bales.

According to data available on the CCI website, the Committee on Cotton Production and Consumption (CCPC) — a body represented by growers, traders, textile industry and officials of ministries of textile and agriculture — has estimated the carryover stocks at 120.95 lakh bales for the current season. The CCPC has estimated that India could still carry over a high 97.5 lakh bales of cotton stocks to the next season, while the Cotton Association of India (CAI) has estimated it at 115 lakh bales.

The CAI had estimated cotton production at 360 lakh bales, which is the same as the previous season. The US Department of Agriculture, however, has pegged Indian cotton production at 371 lakh bales against its initial projection of 377 lakh bales.

According to Agrawal, the CCI

Notes:

- The above unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 12th February, 2021. The Statutory auditors of the company has carried out a limited review of aforesaid results.
- The Audited financial results have been prepared in accordance with Indian Accounting Standards (Ins AS), the provisions of the Companies Act, 2013 (the Act), as applicable and guidelines issued by the Securities and Exchange Board of India (SEBI).
- The Company operates in single segment only, i.e. chemical and pharmaceuticals; therefore, disclosure requirement of Indian Accounting Standard (IND AS-108) "Segment Reporting" is not applicable.
- Operations during the quarter continued to be impacted by measures to contain covid-19 pandemic. The business gathered momentum, though recovery has been gradual and partial. Accordingly, the results for the quarter are not comparable with those for the previous quarter and corresponding quarter of previous year. Based on the information available upto date, the Group expects to recover the carrying value of its assets.
- The date of implementation of the Code on Wages, 2019 and the Code on Social Security 2020 is yet to be notified by the Government. The Ministry of Labour and Employment has released draft rules for the Code on Social Security 2020 on November 13, 2020, and has invited suggestions from Stakeholders which are under active consideration by the Ministry. The Company will assess the impact of these codes and give effect in the financial result when the Rules/Schemes thereunder are notified.
- The Corresponding figures of the previous quarter / year have been regrouped, recasted and reclassified to make them comparable wherever necessary.
