Commenting on the results, Mr. Nivedan Churiwal, Managing Director of BSL Limited, said,

"The Company delivered a strong financial performance during H1 FY27, with growth in revenue and a notable rise in profitability, despite changing global trade and export conditions. Revenue from operations stood at ₹363 crore, registering YoY growth of 6.0%. EBITDA increased by 17.9% YoY to ₹31 crore, while the EBITDA margin improved by 86 bps to 8.6%. Notably, Profit After Tax rose by 2.2x YoY to ₹5 crore compared to ₹2 crore in H1 FY26. This performance reflects the Company's continued efforts to improve operational efficiency, manage costs and maintain financial discipline.

During the period, the Company focused on business execution, improving manufacturing processes and making better use of resources. The improvement in profitability over the last two quarters indicates progress in strengthening the Company's earnings. Going forward, we will continue to focus on manufacturing efficiency, cost control, product quality and customer relationships. We expect the growth momentum to continue in the coming quarters, with performance improving across both revenue and profitability. Our focus will remain on strengthening the business and achieving sustainable growth."
