Birlasoft Achieves AWS DevOps Competency Status

The designation validates Birlasoft's proven ability to deliver high-impact, secure, and scalable DevOps solutions on AWS

Noida, Pune (India), and Edison (N.J.), September 29, 2025: [Birlasoft Ltd](#) [BSE: 532400, [NSE: BSOF](#)], part of the multibillion-dollar [CKA Birla Group](#), has achieved **Amazon Web Services (AWS) DevOps Competency status**. This designation differentiates Birlasoft as an AWS Partner with deep expertise and a proven track record in delivering DevOps solutions that help enterprises accelerate application delivery, automate operations, and enhance agility with built-in security and scalability.

Achieving the AWS DevOps Competency differentiates Birlasoft as an AWS Partner with specialized capabilities to assist organizations in implementing continuous integration and continuous delivery (CI/CD) practices, automate infrastructure provisioning, monitor applications and infrastructure at scale, and embed security guardrails into development pipelines. This designation reinforces Birlasoft's commitment to enabling clients to innovate faster, operate more efficiently, and respond effectively to evolving market demands.

Proven Success Across Industries

Birlasoft has delivered measurable business outcomes for global enterprises through DevOps-driven transformations powered by AWS:

- A global building materials leader achieved **150% faster deployment and 75%** shorter lead time by moving from monolithic applications to a microservices-based architecture.
- An automotive manufacturer realized **30% cost savings and saved 40+ hours** per day across 1,000+ engineers by migrating PLM Windchill to AWS with full DevOps lifecycle automation.
- A cement manufacturer modernized its sales and distribution platform supporting **5,000+ concurrent users and 300,000+ partners, driving 25–30%** growth in new business acquisition.
- A leading airline reduced API latency from **10 minutes to under 3 seconds** with a cloud-native electronic cargo load platform, minimizing costly errors and improving on-time departures.

Commenting on this milestone, **Mr. Manju Kygonahally, CEO - Rest of the World Region and Head Strategic Initiatives, Birlasoft** said, "This milestone reflects our unwavering commitment to helping enterprises embrace cloud-native technologies with speed, scale, and security. Our collaboration with AWS has been pivotal in accelerating clients' digital transformation journeys, leveraging world-class cloud capabilities to drive resilience and innovation. Achieving the AWS DevOps Competency further empowers us to co-create future-ready platforms with AWS, fueling innovation, enhancing operational excellence, and unlocking sustainable business value in a rapidly evolving digital economy."

With this designation, Birlasoft strengthens its position as a strategic partner for enterprises seeking to modernize IT landscapes, adopt agile delivery models, and harness the full potential of AWS to deliver better value for its clients.
