SHANKARA BUILDPRO LIMITED **REPORTS Q2 & H1FY27 RESULTS**

↑ 32% YoY	↑ 6 bps YoY	↑ 33% YoY

Commenting on the performance, Mr. Dhananjay Mirlay Srinivas, Managing Director, Shankara Buildpro Limited, said:

"Q2FY27 is the strongest quarter in Shankara Buildpro's history, with Revenue, EBITDA and PAT each at their highest ever. The performance was led by our steel marketplace, where volumes grew 27% YoY to 3.03 lakh tonne, our highest quarterly volume to date, with broad-based growth across Pipes & Tubes, Flats and Roofing. Equally encouraging is the continued momentum in our non-steel marketplace, which delivered a second consecutive quarter of healthy growth, led by Fittings, Sanitaryware, Electrical and Accessories. Categories such as Tiles and Plumbing are yet to pick up, leaving further levers for growth as they recover. It is also important to note that this growth has come with financial discipline, with working capital held at 22 days, well within our 30-day threshold.

Operationally, one of the most important developments of the quarter was our entry into Rajasthan, a new market for Buildpro, with our first fulfilment centre in Jaipur, building on our rapid expansion in western India. With this, Buildpro is now present in 11 states and union territories, demonstrating the continued expansion of our marketplace model beyond our flagship southern India market.

Our outlook for the second half of FY27 remains strong, and our medium-term roadmap is unchanged. Above all, these results are a tribute to our Founder, Mr. Sukumar Srinivas, who built the institution that delivered them. We are committed to carrying his legacy forward by taking Shankara Buildpro to greater heights."
