Sub: Media statement

Dear Sir / Madam,

Please take note of following media statement being issued by the Company:

New Delhi, July 01, 2015: This has reference to our earlier announcements regarding agreements to divest tower assets in thirteen countries in Africa to different tower companies. We would like to inform that as on date we have completed the sale transactions in 5 countries while in two countries the agreements have lapsed. For the balance 6 countries, the process is on and we hope to have the finality in the coming few months on the transactions proposed, subject to availability of all approvals and completion of the conditions precedent.

The total proceeds from the transactions already concluded are over 1.3 Bn USD which would be utilised for reducing the debt of the Company.

Kindly take the same on record.

Thanking You,

Sincerely Yours,

For Bharti Airtel Limited
