Sub: SSWL expect to sell highest ever Quarterly volume and turnover in Q2 FY18-19

Dear Sir,

Segment wise Breakup of growth

Sale volume (In Nos.) in Q2 FY 2017-18 (July-Sept 2017)	Expected Sale volume (In Nos.) in Q2 FY 2018-19 (July-Sept 2018)	Expected growth (%) in Q2 YoY
37.91 Lacs	42.75 Lacs	13%

SSWL expect to achieve highest ever quarterly sales in Q2 with the help of truck and tractor segment growth.

The order book for both truck plants is good with exports also picking up steadily going ahead.

The Chennai car line is also now running at 90% utilization, the highest ever, with the help of strong domestic car segment participation.

The growth is coming from all round the corners due to increased market share and wider presence in export markets.

Kindly take the same on your record.

Thanking You.

Yours Faithfully,

For Steel Strips Wheels Limited
