Sub: SSWL bags new business from Kenya

Dear Sir,

SSWL is glad to announce that it has bagged its maiden export order from Mobius Motors, Kenya. Supplies would be executed from SSWL's Dappar plant in Punjab.

This order will include development of a 16" Ground wheel and marks SSWL's entry into East Africa. Total project volume would be approx 150,000 wheels spread over 5 years generating cumulative revenue of about USD 2.4 Mln.

SSWL, who is already supplying wheels to Morocco and Egypt, aims to further increase its presence in the African continent. Recent order from Kenya supports this strategy.

Kindly take the same on your record please.

Thanking you.
Yours faithfully,
For Steel Strips Wheels Limited
