Sub: SSWL bags maiden Exports order for new Truck wheels plant.

Dear Sir,

SSWL is glad to inform that it has bagged maiden Exports order for its Truck wheels plant in Chennai. Total order size is 30,000 truck wheels to be supplied over next 12months from Chennai Truck plant.

SSWL is chasing similar large orders in European territory and expecting to close more final order in December 2017.

This will mark SSWL's entry in the high potential Truck and Trailer wheels market in EU. SSWL expects to increase its presence in this market in the coming months given the brand new Chennai plant established keeping the lucrative Exports market.

Kindly take the same on your record.

Thanking You.

Yours Faithfully,

For Steel Strips Wheels Limited
