Re.: Abstract of interaction with press.

Dear Sir / Madam

We bring to your notice that our Chairman and Managing Director Mr. Pankaj R. Patel had an interaction with 'Times of India' during which he was asked about the other treatment options of Lipaglyn (Saroglitazar) which was introduced in 2013. During the course of the interaction he spoke about the initiation of Phase-III clinical trials to study the effect of Saroglitazar in adult nonalcoholic seatohepatitis (NASH) patients. NASH is a liver disease in which fat accumulates in the liver. Obesity, insulin resistance, diabetes and lipid disorders progresses to cause a lethal NASH situation.

Please bring the aforesaid news to the notice of the members of the exchange and the investors' at large.

Thanking you,

Yours faithfully,
FOR **CADILA HEALTHCARE LIMITED**

UPEN H. SHAH
COMPANY SECRETARY
