Sub: Disclosure under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir,

Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the manufacturing unit of Camlin Fine Sciences Limited (the "Company") situated at Dahej has been affected due to massive explosion in the adjoining unit belonging to Yashashvi Rasayan Private Limited at around 12.10 pm on June 3, 2020. In view thereof, for safety and other reasons, the said unit has been shut down temporarily. The Company is currently conducting trial production at the said unit.

Based on preliminary inspection, the explosion has caused damage to our factory and administration buildings, control room and utility areas. Though there seems to be no external damage to the plant equipment, we are in the process of assessing the structural and internal damages. Thus the quantum of loss, if any, is not ascertainable at this stage. The Company has an adequate cover of insurance for assets and such losses.

Company is taking all the necessary steps required to restart the plant as early as possible after taking cognizance of all safety precautions.

Kindly take the above information on record.

Thanking You,

For Camlin Fine Sciences Limited

Mr. Mandar Godbole
GM Legal, Company Secretary
& Compliance Officer
