--	---

Dear Sir/Madam,

Sub: Disclosure of events or information for Camlin Fine Sciences Limited ("Company").

This is to inform that a fire broke out in the unit of our subsidiary namely Chemolutions Chemicals Limited, inter-alia engaged in job work of the Company, situated at Plot E- 44, MIDC, Tarapur, District Palghar, Maharashtra yesterday i.e., December 23, 2021, evening around 5:35 p.m.

The emergency response team and local authorities have already brought the fire under control, and we are extending our full co-operation to the local authorities.

We would like to highlight that the fire incidence has no material impact on the operations of the Company and operations continues to be normal. Also, no fatal casualty or loss of life due to this incident has been reported.

We would further like to clarify the following, as the news of the said incident has been reported by certain media, and to curtail any unnecessary rumors:

- 1. Factory/unit where the incident took place, including reasons:** A fire broke out in the unit of our subsidiary namely Chemolutions Chemicals Limited, inter-alia engaged in job work of the Company, situated at Plot E- 44, MIDC, Tarapur, District Palghar, Maharashtra yesterday evening around 5:35 p.m. As per our initial investigation, we are of the view that the reason for the fire was short circuit in the centrifuge motor which took place during the purification process.
- 2. Estimated impact on the production/operations:** Though the production in the said unit was temporary disrupted due to the incident, there has been no loss of production for the Company and operations continues to be normal.
