Campus Activewear Limited (NSE: CAMPUS, BSE: 543523)

Campus Activewear Limited (CAL) is India's largest sports and athleisure footwear brand *in terms of value and volume. Campus was introduced in 2005 as a lifestyle-oriented sports and athleisure brand that offers a diverse product portfolio for the entire family. The brand offers multiple choices across styles, color palettes, price points and an attractive product value proposition. CAL is amongst a few established national brands enjoying ~17% market share in the Indian branded sports and athleisure footwear industry which is predominated by international brands. The Company's thrust on in-house manufacturing facilities, integrated supply chain, robust omnichannel sales and distribution network with pan-India presence, strong design capabilities accelerating swift product commercialization, strong brand-recall, innovative branding and marketing approach, digitization focus for effective distributor and retailer relationships has enabled CAL to successfully cater diverse consumer needs across different demographics and price point, covering more than 85% of the total addressable market for sports and athleisure footwear in India.

CAL owns and operates 5 manufacturing facilities across India with an installed annual capacity for assembly of 35.7 million pairs as on December 31, 2024. The Company has over 300+ distributors directly servicing and fulfilling orders of over 25,000+ geographically mapped retailers in more than 650 cities at a pan-India level as on December 31, 2024. Of these approximately 25,000 retailers, the internal sales force of 200+ employees have direct field coverage of approximately 15,000 retailers as on December 31, 2024. The remaining approximately 10,000 retailers are covered through CAL's distributor 'feet on street' initiative, which further depends on the Company's distributor management system, sales force activation application and retailers' engagement initiative.

We have an extensive online sales presence through third party pure play marketplaces, third-party managed marketplaces and online-to-offline B2B platforms such as Flipkart, Amazon, Ajo, Myntra, among others as well as our own e-commerce website. We have sold more than 5.7 million pairs through online channels in 9M FY 25. Our revenues from operations through our ecommerce platforms grew at a CAGR of 39.5%+ between Fiscal 2021 and TTM December 2024.
