Commenting on the order, Mr. **Raghu Pavan, Chief Information Officer (CIO)**, M/s. Canarys Automations Limited said that we are honored to have secured a license and services order spanning Snyk's full Developer Security Platform – Snyk Code, Snyk API & Web, Snyk Container, and GitGuardian for internal secrets monitoring – positioning Canarys as an early mover in delivering end-to-end DevSecOps enablement across static code analysis, API/web application security, container security, and secrets detection. This multi-product win underscores the depth of Canarys' security practice and its ability to architect and deliver comprehensive, integrated security solutions rather than point tools, reinforcing the
