ESG

Environment

The Company has undertaken several sustainability initiatives to strengthen its commitment to environmental responsibility. Some of the key efforts include:

- Launched the Rooftop Solar Loan Scheme, aimed at empowering customers by offering financial support for the purchase and installation of rooftop solar photovoltaic (systems ranging from 3 KW to 10 KW)
- All offices have successfully switched to LED lighting, significantly cutting electricity usage while fostering sustainable practices. Additionally, the Company's Registered Office and 16 branches now operate with solar backed UPS systems, further reinforcing eco-friendly initiatives.
- Company is actively minimizing single use plastic consumption across all offices and branches. Initiatives include eliminating plastic bottles and straws for beverages while encouraging the adoption of eco-friendly alternatives.
- A rainwater harvesting system has been installed at the Corporate Office Building, supporting sustainable water management efforts. Additionally, water efficient taps have been implemented to reduce water wastage.
- Company has successfully recycled 0.40 tons of paper e-waste and 1.2 tons of paper waste, demonstrating its dedication to responsible resource management and minimizing environmental impact.

Social

Cyber Security & Data Privacy

- The Company has established a comprehensive Data Privacy and Cyber Security Policy to protect sensitive information and maintain

operational resilience. Employees undergo regular security awareness training to enhance vigilance and preparedness. Customer privacy is rigorously safeguarded in accordance with the Digital Personal Data Protection Act.

Can Fin Homes Powers Government Schools with Bio Gas and Organic Composting

Organic Waste Composting and Biogas Systems have been installed at three residential schools in Doddaballapur, Bengaluru: Morarji Desai Residential School, Kitturu Rani Chennamma Residential School and Dr. B. R. Ambedkar Girls Residential School. While creating self-sufficient campuses, it has benefitted over 910 residential students. Daily 15-20 kg of organic food waste is converted into:

1. Biogas – used for cooking (Contributing to UN SDG 7: Affordable and Clean Energy)
2. Nutrient-rich compost used for gardening (Supporting UN SDG 12: Responsible Consumption and Production)

Building Champions, Fostering Futures!

Can Fin Homes has sponsored two brand new multi-purpose sports courts in Indore, Madhya Pradesh at

1. Government Higher Secondary School, Bajrang Nagar (empowering approx. 650 students)
2. Panchayat Maa Kankeshwari Devi Government College, Nanda Nagar (benefitting approx. 1750 students)
This initiative contributes to UN SDG 3 (Good Health and Well-being) & UN SDG 4 (Quality Education)

**MYTH
VS TRUTH**

Paarth *Bhai*, forget the house. I don't have a salary slip or a fancy office job.
No one is going to give me a home loan.

Can Fin Vishwas Home Loan looks beyond salary slips.
As long as your pay-outs hit your bank account digitally, your 'online footprint' is your proof and you're eligible for home loan.
