Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Capacit'e Infraprojects Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Capacit'e Infraprojects Limited (the "Company") for the quarter ended December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. As described in Note 4 to the Statement, trade receivables as at December 31, 2024 includes Rs. 1,155.93 lakhs in respect of one party which was earlier considered as Bad Debts / Provided as Expected Credit Loss Allowance, the management had recorded recovery of the said receivable by giving effect in Other Income / Expected Credit Loss Allowance during the previous year ended March 31, 2024, based on future recoverability projections. In the absence of sufficient appropriate evidence about the recoverability of the said Receivable, we are unable to comment on the recoverability and provision, if any, required on such Receivable. Our conclusion/opinion was also modified in respect of this matter in the previous / preceding quarter and period ended December 31, 2023, quarter ended September 30, 2024 and year ended March 31, 2024.
5. Based on our review conducted as above, except for the possible effects of our observations in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

6. Emphasis of Matter Paragraph

We draw attention to Note 3 to the Statement in respect of Company's operations included trade receivables, other exposures and contract assets with long time outstanding amount of Rs. 6,761.76 lakhs as on December 31, 2024. The Company has taken legal course against those parties, including enforcement of available security, to recover those assets. The outcome of such legal action is not ascertainable at present. The management is confident of its recoverability and hence no further provision is required in these unaudited standalone financial results.

Our conclusion is not modified in respect of this matter.

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit.
