However, in view of the failure by LHG to comply with steps envisaged in the process memorandum post CoC approved its Resolution Plan as well as continuing default by Liberty in implementing NCLT approved Resolution plans in other CIRPs, the CoC filed an application on 6th of December 2018 to withdraw Liberty's Resolution Plan and sought directions for exclusion of time spent with LHG for negotiating and finalising Resolution Plan and allow a fresh process to identify new resolution applicants for CTL.

Adjudicating Authority vide its Order dated March 15, 2019 has permitted the application for approval of the resolution plan to be withdrawn. Adjudicating Authority has also directed that the period from the date of acceptance of LHG as the preferred bidder i.e. May 18, 2018 till the receipt of the certified copy of the Order dated March 15, 2019 shall be excluded for counting the 270 days, permitted for completion of the insolvency resolution process. The Order has also allowed CoC to proceed with inviting fresh expression of interest from prospective investors. Accordingly, in terms of the said direction, the RP has invited a fresh expression of interest as on March 29, 2019 and has received six expression of interests in response till date. The Company is presently undergoing CIRP and the Resolution process is underway in line with the provisions of the IBC Code ”.

As the powers of the Board of Directors have been suspended, the above result has not been adopted by the Board of Directors. However, the same have been signed by Mr. Sanjiv Arora, Director of the Company, confirming, accuracy & completeness of the results and taken on record not signed by Mr Dinkar T. Venkatasubramanian (Resolution Professional).

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the statement that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates, as well as evaluating the overall presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the statement.

Basis for qualified opinion

As per "Indian Accounting Standard 36" which talks about impairment of asset, if the carrying amount of the asset is more than recoverable amount then asset need to be impaired and as per "Indian Accounting Standard 109" on financial instruments which also contains provisions of impairment of financial assets through expected credit loss method basis these provisions we were required to seek for any impairment obligations from management but since the corporate debtors is still under the process CIRP and resolution professional and committee of creditors are in the process of finalization successful resolution applicant and the management has not determined value in use thus impairment of Fixed Assets including Capital Work In Progress (Rs. 503712.58 Lacs), advances given to related parties (Rs. 55131.66 Lacs), accordingly we are unable to ascertain the effect of the same on the Financial statements.

As per "Indian Accounting Standard 109" company was required to get the Investment (Rs. 56429.41 Lacs) at fair value but the same has not been done by the company, accordingly we are unable to ascertain the effect of the same on the Financial statements.
