1.4. Changes, modifications or amendments to this Public Announcement, if any, will be notified by issuing a corrigendum in the aforementioned newspapers.

2. BACKGROUND OF CASTEX TECHNOLOGIES LIMITED/ COMPANY

The Company is in the business of manufacturing, marketing, and distributing automotive and non-automotive components in India and Overseas. The Hon'ble NCLT vide its order dated December 20, 2017 admitted the application under Section 7 of the Code being CP (IB) No. 116/Chd/Hry/2017 and ordered for commencement of corporate insolvency resolution process ("CIRP") of the Company. Thereafter, in terms of various orders passed by the Hon'ble National Company Law Appellate Tribunal and the provisions of the Code, the Approved Plan of the Resolution Applicant was approved by the committee of creditors ("CoC") of the Company on March 17, 2020. Pursuant thereto, the said Resolution Plan of the Resolution Applicant was duly approved by the Hon'ble NCLT in terms of Section 31 of the Code vide its order dated December 15, 2020.

3. OBJECTIVE FOR DELISTING

3.1. In the Plan approved by the CoC of the Company under Section 30(4) of the Code and thereafter by the Hon'ble NCLT vide order dated December 15, 2020, the Resolution Applicant had expressed its proposal to delist the total outstanding equity share capital of the Company. Upon the approval of the CoC and subsequently thereof by the NCLT, the Approved Plan became binding on the Company and its employees, members, creditors, including the Central Government, any State Government or any local authority to whom a debt in respect of the payment of dues arising under any law for the time being in force, such as authorities to whom statutory dues are owed, guarantors and other stakeholders involved in the Resolution Plan in terms of Section 31 of the Code, as a consequence of which the total outstanding equity share capital of the Company will be delisted from the BSE and NSE. The Resolution Applicant, in furtherance of the Approved Plan, will not be paying any consideration to the shareholders towards the delisting of the Equity Shares.

4.1. The Equity Shares of the Company are currently listed on the BSE and NSE. The Applicant seeks to delist the Equity Shares of the Company from the said Stock Exchanges.

5. NO DELISTING PRICE

As the Liquidation Value of the Company is not sufficient to cover the debt of the Financial Creditors of the Company in full, therefore, the Liquidation Value of the equity shareholder is NIL and thus, such shareholders will not be entitled to receive any payment and hence no offer will be made to any shareholder of the Company, towards the delisting of the Equity Shares. In this regard, the Resolution Plan provides NIL payments towards claims of related parties of the Company, which related parties would include promoters or entities belonging to the promoter group or any other shareholder, directly or indirectly, of the Company. The equity shareholders are not required to surrender their Equity Shares to the Resolution Applicant, pursuant to the Delisting. Post the successful delisting of the Equity Shares from the Stock Exchanges, the Company, will become an unlisted public company.

5.2 DELISTING

Based on our assessment, the Liquidation Value is likely to be even insufficient to satisfy the claims of the Financial Creditors in full. Accordingly, the Liquidation Value due to the equity shareholders of the Corporate Debtor after paying off dues in the order of priority as defined under Section 53 of the Code is NIL. The equity shares of the Corporate Debtor shall be delisted from all stock exchanges on which they are listed on the Effective Date as per the following procedure:

(i) Within 1 (one) day of the NCLT Approval Date, the Corporate Debtor will make an intimation to the Stock Exchanges which shall specify the following:

(a) That the equity shares of the Corporate Debtor shall cease to be listed and traded on the Stock Exchanges on and from the Effective Date; and

(b) Given that the Liquidation Value due to equity shareholders in terms of the Code is NIL, no exit price shall be paid to the equity shareholders.

If required by the NCLT, the Corporate Debtor shall give a public notice of the delisting in the same form as the intimation made to the Stock Exchanges, in one English national daily with wide circulation and one Hindi national daily with wide circulation.

(ii) Given that the Capital Reduction shall occur simultaneously with the delisting, on the Effective Date, (a) the physical share certificates, if any, held by the equity shareholders of the Corporate Debtor shall stand cancelled without any further action or deed, and (b) the names of the equity shareholders of the Corporate Debtor holding shares in dematerialized form shall be struck off from the records of the respective depository. Accordingly, on the Effective Date, in accordance with Regulation 3(3) of the SEBI (Delisting of Equity Shares) Regulations, 2009 the equity shares of the Corporate Debtor shall stand delisted from all Stock Exchanges without any further action or deed required from the Corporate Debtor.

5.3 All actions contemplated in sub-sections 5.1 and 5.2 to be consummated on the Effective Date occur simultaneously and the Effective Date shall not occur unless all such actions are consummated. If all actions required to be undertaken on the Effective Date are not completed on the same day, the day on which the last such action is completed shall be deemed to be the Effective Date for the purposes of this Resolution Plan.

5.4 Thereafter, on the date identified by the Resolution Applicants which shall be 5 (five) Business Days from the date of Condition Precedent Satisfaction Date or such earlier date as may be notified by the Resolution Applicants ("Closing Date"), the Creditors will receive payment of amounts payable to such Creditors as set out in this Resolution Plan. The steps involved are as follows, which shall occur on the Closing Date:

(a) The CIRP Costs shall be paid in priority to any payments to any Creditors;

(b) The Operational Creditors, employees and Workmen shall be paid the amounts due to such Creditors as set out in section 3 (Mandatory Provisions) above and Part IV (Financial Proposal);

(c) The Financial Creditors shall be paid or allotted the amounts due to such Creditors as set out in Part IV (Financial Proposal); and

(d) The Financial Creditors may take control and possession of the equity shares allotted to the nominee/trustee of the Financial Creditors in accordance with Applicable Law, or implement another trustee equity shareholding structure as required to ensure compliance with Applicable Law.

5.5 All actions contemplated in sub-section 5.4 to be consummated on the Closing Date occur simultaneously and the Closing Date shall not occur unless all such actions are consummated. If all actions required to be undertaken on the Closing Date are not completed on the same day, the day on which the last such action is completed shall be deemed to be the Closing Date for the purposes of this Resolution Plan. It is clarified that all payments shall be made in accordance with the priority of payments required to be made in terms of Section 30 of the Code and Regulation 38 of the IBBI (CIRP) Regulations.

5.6 For the avoidance of doubt, it is clarified that filings to be made with the jurisdictional ROC and the RBI in relation to the transactions under this Resolution Plan, as required, shall be completed after the Effective Date and/or the Closing Date, as the case may be, in accordance with the time limits prescribed under Applicable Law.
