This is further to already existing brands like Continental Xtra, Continental Speciale and Continental Premium in the market.

Continental Malgudi - It marks the entry of Continental Coffee in the roast & ground market popularly known as filter coffee in India. It is a filter coffee which comes in two blends, 80:20 (80% coffee and 20% chicory) and 60:40 (60 % coffee and 40% chicory), which will be available in the following skus, 50g, 100g, 200g.
