For Jupiter Wagons Limited

Ritesh Kumar Singh
Company Secretary and Compliance Officer

Jupiter Tatravagonka Railwheel Factory, a subsidiary of Jupiter Wagons Ltd., Bags INR 113 Crore Order from the Ministry of Railways

LOA covers the supply of 9,000 LHB Axles for FIAT-IR Bogies, strengthening JWL's position as a key supplier of critical components for Indian Railways' modern passenger coaches

National, 11th September 2025: Jupiter Wagons Limited (JWL) is pleased to announce that its material unlisted subsidiary, Jupiter Tatravagonka Railwheel Factory Private Limited (JTRFPL), has received a Letter of Acceptance (LOA) dated 9th September 2025 from the Ministry of Railways, Railway Board for the supply of 9,000 LHB Axles for FIAT-IR Bogies, valued at approximately INR 113 crores.

This significant order underscores Jupiter Group's growing role in strengthening India's passenger rail ecosystem and aligns with the Government of India's vision to modernize and expand safe, efficient, and future-ready rail transport across the country. The supply of advanced, precision-engineered axles will be integral to enhancing the performance, safety, and durability of Indian Railways' high-speed LHB coach fleet.

The order further strengthens JWL's presence in the rail components segment especially for passenger rolling stock. Aurangabad facility is already delivering 10,000 wheelsets per year. As a part of its long-term capacity-building strategy, the company is setting up a world-class forged axle and wheel manufacturing facility in Odisha with the investment of INR 2,500 crore to produce 100,000 forged wheelsets annually by 2027 for both domestic use and international markets, including the EU. This will play a pivotal role in reducing import dependency while strengthening India's domestic manufacturing base in line with the Make in India vision.

[About Jupiter Wagons Ltd. \(JWL\) \(BSE: 533272; NSE: JWL\)](#)

Jupiter Wagons Limited (JWL) is a provider of comprehensive mobility solutions, with diverse offerings across Freight Wagons, Locomotives, Passenger Coach Accessories, Braking Systems, Commercial Vehicles, ISO Marine Containers, and products such as Couplers, Draft Gears, Bogies, CMS Crossings, Brake Disc, Brake System, Wheels, Axles, Wheelsets, electric commercial vehicles (e-LCV) and Lithium Batteries.
