LIMITED REVIEW REPORT

We have reviewed the accompanying statement of un-audited financial results of **Celebrity Fashions Limited** for the quarter ended 31st December 2014 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors / Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of un-audited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.

- 1 The above results as reviewed by Audit Committee were approved and taken on record by Board of Directors in the meeting held on 14th February 2015
- 2 The Company operates exclusively in the segment of garments. This in the context of Accounting Standard 17 (AS 17) "Segment Reporting" issued by the Institute of Chartered Accountants of India constitutes one single primary segment.
- 3 Other Operating Income represents conversion charges received by the Company towards contract manufacturing activities.
- 4 Effective April 1, 2014, Schedule II of the Companies Act, 2013 prescribes the useful life of various types of assets. The Company is in the process of assessing the useful life of assets through technical evaluation. Pending the same, the Company has not provided depreciation in accordance with Schedule II of Companies Act 2013 for the period ending 31st December 2014. However as a matter of prudence the Company has provided additional depreciation of Rs. 1 cr for the 9 months ending 31st December 2014 and the differential depreciation, if any, would be accounted for in the subsequent reporting period.
- 5 The Company has got a net deferred tax asset on account of accumulated losses and unabsorbed depreciation. In compliance with the provisions of the Accounting Standard - 22, "Accounting for Taxes on Income" and based on General Prudence, the Company has not recognised the deferred tax asset in full, but has restricted the same to Deferred Tax Liability.
- 6 The number of shares used in calculating the Basic and Diluted EPS is based on weighted average number of shares outstanding during the period / year as per Accounting Standard 20.
- 7 Previous period figures have been regrouped / reclassified, wherever necessary.
