Independent Auditors' Review Report on the Unaudited Standalone Financial Results of Century Enka Limited for the quarter and half year ended September 30, 2026 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended)

To the Board of Directors of Century Enka Limited

- 1) We have reviewed the accompanying statement of unaudited standalone financial results of **Century Enka Limited** ('the Company') for the quarter and half year ended September 30, 2026 (the 'Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended ("the Listing Regulations"), including relevant circulars issued by the SEBI from time to time.
- 2) This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, as amended (the 'Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the preparation and disclosure requirements of Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act 2013, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4) Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards 34 ('Ind AS 34') specified under Section 133 of the Act, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5) Emphasis of Matter:

We draw attention to Note no. 3 of the Statement wherein it is stated that, the Excise Department had issued an order dated 31st December, 2013 denying the applicability of Notification No. 6/2000 dated 1st March, 2000 and raised a demand of Rs.22,927 lakhs plus interest thereon and penalty equivalent to duty demand amount. The CESTAT vide its order dated 20th December, 2019, upheld the denial of aforesaid notification and remanded back the matter to Central Excise Department to redetermine quantum of duty short paid. Consequently the Commissioner, CGST & Central Excise, Raigad has re-determined assessable value and confirmed the demand amounting to Rs.730 lakhs (as against above demand of Rs.22,927 lakhs), plus applicable interest and equal amount of penalty vide order dated 8th September, 2020 against which the Department has filed an appeal before the Appellate Tribunal. The Company's appeal in the matter is pending before the Hon'ble Supreme Court of India. The Company has been advised by legal experts that it has a fair chance of ultimately succeeding in the matter and accordingly no provision is required to be made in the accounts. Our conclusion on the Statement is not modified in respect of this matter.

6) Other Matter:

The standalone financial statements of the Company for the year ended March 31, 2026 have been audited by the predecessor auditor who expressed an unmodified opinion on the standalone financial statements vide their report dated May 21, 2026. The unaudited financial information of the Company for the corresponding quarter and half year ended September 30, 2025 and quarter ended June 30, 2026 have been reviewed by the predecessor auditor who have expressed an unmodified conclusion vide their Review Reports dated November 6, 2025 and July 28, 2026 respectively.

Our conclusion on the Statement is not modified in respect of the above matter.

STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE THREE MONTHS AND SIX MONTHS ENDED SEPTEMBER 30, 2026

**NOTES:**

- The above financial results have been reviewed and recommended for approval by the Audit Committee to the Board of Directors and have been approved by the Board of Directors at its meeting held on 27 October, 2026. A Limited Review of these financial results for the quarter and six months ended 30 September, 2026 has been carried out by the Statutory Auditors and their report contains emphasis with respect to matter disclosed in note 3 below.
- The Company's business activity falls within a single operating segment i.e. "Synthetic Yarn".
- Excise Department had issued an order dated 31st December, 2013 denying the applicability of Notification No. 6/2000 dated 1st March, 2000 and raised a demand of Rs.22,927 lacs plus interest thereon and penalty equivalent to duty demand amount.
In this matter, Customs, Excise and Service Tax Appellate Tribunal (CESTAT) in its order dated 20th December, 2019, upheld the denial of aforesaid notification and remanded back the matter to Central Excise Department to redetermine quantum of duty short paid, imposition of equal amount of penalty on redetermined amount of duty demand and applicable interest. The Commissioner, CGST & Central Excise, Raigad has re-determined assessable value pursuant to order of CESTAT and confirmed the demand amounting to Rs.730 lacs (as against above demand of Rs.22,927 lacs), interest at appropriate rate on the duty and equal amount of penalty vide its order dated 8th September, 2020. Against the said order of the Commissioner, CGST & Central Excise, Raigad, Department has filed an appeal before the Appellate Tribunal.
The Company's appeal in the matter is pending before the hon'ble Supreme Court of India. The Company has deposited the amount of duty of Rs.730 Lacs under protest. The Company has been advised by legal experts that it has a fair chance of ultimately succeeding in the matter and accordingly no provision is required to be made in the accounts.
- The Government of India has notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health, and Working Conditions Code, 2020 ("Labour Codes") with effect from 21st November, 2025, which consolidates 29 existing labour laws. The Labour Codes, amongst other things introduce changes, including a uniform definition of wages and enhanced benefits relating to leave. The Ministry of Labour & Employment has issued draft Central Rules and FAQs to facilitate assessment of the financial impact arising from these regulatory changes. In accordance with the guidance issued by the Institute of Chartered Accountants of India and based on actuarial valuation, the Company has assessed and disclosed the financial impact of these changes as "Statutory Impact of New Labour Codes" under Exceptional Items in the financial results for year ended 31st March, 2026. The Company has recognized Rs 186 Lacs as Statutory Impact of New Labour Codes towards additional Gratuity, classified as past service cost, primarily due to the revised definition of wages under the Labour Codes.
