Scheduled Completion

**MANAGEMENT COMMENTARY**

*Our first five-star hotel project further strengthens our order book and expands our presence in the premium hospitality segment. It also marks the beginning of our journey toward contributing to the development of world-class infrastructure and facilities, particularly in anticipation of the significant infrastructure growth expected over the next decade, driven by global events such as the Commonwealth Games and Olympic Games. As we continue to build capabilities aligned with evolving global infrastructure standards, we remain well-positioned to capitalise on the growing opportunities across India's manufacturing, infrastructure and hospitality sectors. Backed by our execution expertise, experienced team, and customer-centric approach, we remain committed to delivering sustainable value to all our stakeholders.*

**Mahesh G. Chavda**

Managing Director, Chavda Infra Limited

## ABOUT CHAVDA INFRA LIMITED

Chavda Infra Limited is an integrated civil construction company headquartered in Ahmedabad, Gujarat, with over three decades of experience delivering projects across western India. The Company offers a diversified portfolio spanning general contracting, high-rise construction, real estate development, and ready-mix concrete, serving residential, commercial, and institutional clients, with a significant concentration in Ahmedabad, Gandhinagar, GIFT City, Rajkot, and Baroda.

## PRODUCT OFFERINGS:

- **Civil Construction:** End-to-end contracting for residential, commercial, industrial, and institutional projects — from design coordination to handover.
- **High-Rise & Complex Structures:** Expertise in large-scale and skyscraper construction, including high-rise residential and commercial towers.
- **Real Estate Development:** Ground-up project development through Chavda Developers, covering design through execution.
- **Ready-Mix Concrete (Chavda RMC):** In-house production of premium ready-mix concrete tailored to project specifications, enhancing quality control and efficiency.
- **Institutional & Infrastructure Projects:** Delivery of educational, recreational, and public-sector infrastructure with an emphasis on safety, structural integrity, and timely completion.
