Ref: Letter No. NSE/CM/Surveillance/11954 dated May 20, 2022

We are in receipt of your letter through email seeking clarification on increase in volume of our Company's security across Exchanges. We submit that the increase in the volume of our Company's security listed on the Stock Exchanges is apparently market driven and Chemcon Speciality Chemicals Limited ("the Company") has no control over the same.

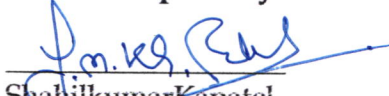

We wish to inform you that to the best of our knowledge and understanding there is no price sensitive information/ announcement which is pending dissemination by the Company to the exchanges, which would have a bearing on the price/ volume behaviour of the Company's Equity Shares.

We further wish to inform you that to the best of our knowledge and understanding, we do not have other price sensitive information / impending announcement other than the information/ announcement already disseminated to the exchanges / made publicly.

We request you to take the above clarification on record.

Thanking you,
Yours faithfully,

Chemcon Speciality Chemicals Limited
