Commenting on the Q3 & 9M FY26 performance Mr. Kamal Poddar, Managing Director

"Q3 FY26 was a quarter of strong execution for Choice, marked by robust business performance and disciplined progress against our strategic priorities. Our focus during the period remained on deepening customer value, strengthening operational discipline and advancing initiatives that enhance the resilience and long-term sustainability of our diversified platform.

During the quarter, Choice AMC successfully launched its first product, the Gold ETF, marking the operational commencement of our asset management business following the receipt of regulatory approval.

We expanded our wealth and investment management platform through the acquisitions of the wealth distribution businesses of the Fintoo Group and Glory Prime Wealth Private Limited, adding approximately Rs. 500 Cr in AUM, strengthening our distribution reach and multi-channel capabilities.

Additionally, our subsidiary, Choice Wealth was awarded a contract by India Post Payments Bank (IPPB) to deploy a comprehensive digital investment platform for its customers, enabling large-scale distribution through IPPB's nationwide network.

Our consulting arm, Choice Consultancy Services Private Limited (CCSPL) strengthened its government advisory capabilities through the acquisition of Ayoleeza Consultants Private Limited, which manages live projects worth Rs. 200 Cr along with its partners. This acquisition further strengthens CCSPL's execution capability and project pipeline across public sector projects.

With a diversified portfolio, expanding national footprint, and strong execution capabilities, we are confident in sustaining our growth momentum and continuing to create long-term, sustainable value for all stakeholders."
