Sub.: Announcement by Cummins Inc. USA on NASDAQ – Clarification

Dear Sir/Ma'am,

The Company has been receiving various queries from analysts/ investors with reference to the announcement made by Cummins Inc. USA on NASDAQ with respect to Q1 2016 Earnings Call.

In this regard, we wish to clarify that the proposal for closure of generator assembly plant of Cummins India Limited (CIL) at Pirangut, Pune is under consideration. The low kVA gensets for the domestic market currently being assembled at the Pirangut Plant will be outsourced for contract manufacturing. These very price-sensitive gensets will continue to be sold through the legal entity, CIL. This allows CIL to better manage its operating cost, and positions the business for longer term success.

We have also displayed contents of this Letter on website of the Company i.e. www.cumminsindia.com.

Kindly take this Letter on your record.

Thanking you, we are,

Yours truly,
For Cummins India Limited,

K. Venkata Ramana
