Dear Sirs,

This is to inform you that the Company, in collaboration with the UK government, has expressed its intention to make investments of up to £100 million in its UK subsidiary over the next few years. The investments are expected to facilitate the launch of a range of products in the area of respiratory, oncology and antiretroviral medicines to further Cipla's higher purpose of "universal affordable access". Cipla also plans to invest in R&D activities, clinical trials and expand further internationally. The investment underscores the growing importance of UK in Cipla's long term strategy.

Thank you,

Yours faithfully,
