To the Board of Directors of Clean Max Enviro Energy Solutions Limited (formerly known as Clean Max Enviro Energy Solutions Private Limited)

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Clean Max Enviro Energy Solutions Limited (formerly known as Clean Max Enviro Energy Solutions Private Limited) (hereinafter referred to as "the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its joint ventures for the quarter ended 30 September 2026 and year to date results for the period from 1 April 2026 to 30 September 2026 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 and Regulation 52(4) read with Regulation 63 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

   Attention is drawn to the fact that the figures for the corresponding quarter ended 30 September 2025, as reported in the Statement have been approved by the Parent's Board of Directors, but have not been subjected to review.

2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52(4) read with Regulation 63 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 *"Review of Interim Financial Information Performed by the Independent Auditor of the Entity",* issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities mentioned in Annexure I to the Statement.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52(4) read with Regulation 63 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the interim financial information of four (4) subsidiaries and six (6) step-down subsidiaries included in the Statement, whose interim financial information reflects total assets (before consolidation adjustments) of Rs 34,308.30 million as at 30 September 2026 and total revenues (before consolidation adjustments) of Rs 625.03 million and Rs 1,181.24 million, total net profit / (loss) after tax (before consolidation adjustments) of Rs 122.78 million and Rs (172.54) million and total comprehensive income (before consolidation adjustments) of Rs 153.88 million and Rs 72.68 million, for the quarter ended 30 September 2026 and for the period from 1 April 2026 to 30 September 2026 respectively, and cash inflows (net) (before consolidation adjustments) of Rs 370.56 million for the period from 1 April 2026 to 30 September 2026 as considered in the Statement. The Statement also include the Group's share of net profit after tax of Rs 7.42 million and Rs 11.88 million and total comprehensive income of Rs 7.42 million and Rs 11.88 million, for the quarter ended 30 September 2026 and for the period from 1 April 2026 to 30 September 2026 respectively as considered in the Statement, in respect of three (3) joint ventures, whose interim financial information have not been reviewed by us. These interim financial information have been reviewed by other auditors whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, step-down subsidiaries and joint ventures, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

   Our conclusion is not modified in respect of this matter.

7. The Statement includes the financial information of eight (8) subsidiaries which have not been reviewed, whose financial information reflects total assets (before consolidation adjustments) of Rs 0.80 million as at 30 September 2026 and total revenues (before consolidation adjustments) of Nil and Nil, total net loss after tax (before consolidation adjustments) of Rs (0.03) million and Rs (0.09) million and total comprehensive loss (before consolidation adjustments) of Rs (0.03) million and Rs (0.09) million, for the quarter ended 30 September 2026 and for the period from 1 April 2026 to 30 September 2026 respectively, and cash inflows (net) (before consolidation adjustments) of Rs 0.80 million for the period from 1 April 2026 to 30 September 2026 as considered in the Statement.
