**Subject: Commencement of commercial production of Hydroquinone (HQ) and Catechol by Clean Fino-Chem Limited, Wholly Owned Subsidiary of the Company.**

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 we wish to inform you that, Clean Fino-Chem Limited ("CFCL"), Wholly Owned Subsidiary of the Company has commenced commercial production of Hydroquinone (HQ) and Catechol in a dedicated production block today, Thursday 18<sup>th</sup> December, 2025.

The Company is pleased to achieve following notable distinctions by commercializing Hydroquinone and Catechol:

- The Company would be key domestic manufacturer of Hydroquinone and Catechol, leading to import substitution led demand traction.
- With commercialization of Hydroquinone, value proposition of performance segment strengthens further by creating cross-selling opportunity with MEHQ customers. Also, it will further enhance TBHQ market share.
- Catechol will also be captively consumed for production of Guaiacol and Veratrole.

Commercialization of Hydroquinone and Catechol, functionally critical specialty chemical, underscores robust in-house R&D capabilities supported by synergistic in-house project engineering capabilities.

You are requested to take above information on record.

Thanking You.
