## About CL Educate

CL Educate Limited, listed on both BSE and NSE since 2017, is a well-diversified, technology-enabled company operating across the EdTech and MarTech segments. Since its inception in 1996, CL has grown from a single MBA test-prep center into a pan-India conglomerate, delivering a wide range of offerings—from test preparation and training to publishing, content development, corporate marketing services, and integrated institutional solutions—across both physical and digital platforms.

Led by a team of highly qualified professionals, including IIT-IIM alumni, the company has consistently leveraged strong synergies between its consumer- and enterprise-focused businesses to build an asset-light, scalable model.

Further strengthening its position, CL Educate has recently forayed into the rapidly expanding Digital Assessments space through the acquisition of DEXIT Global Limited (formerly NSEIT Limited), an erstwhile step-down subsidiary of NSE Limited. With a 20% relative market share in a ₹4,500+ crore industry, DEXIT marks the largest and most strategic addition to CL's EdTech and MarTech portfolio.
