If the number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the Offer Size (as defined below), then the Offer Shares validly tendered by the Public Shareholders will be accepted on a proportionate basis, subject to acquisition of a maximum of 6,001,268 (Sixty Lakh One Thousand Two Hundred Sixty-Eight) Equity Shares, representing 26% (twenty-six percent) of the Voting Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The unaccepted Equity Shares will be returned to the Public Shareholders in accordance with the schedule of activities for the Open Offer.
- 1.2. The Acquirer may withdraw the Offer in accordance with the conditions specified in this Draft Letter of Offer. Consequently, in the event of any delay, the payment of consideration to the Public Shareholders of the Target Company, whose Equity Shares are validly tendered and accepted by the Acquirer under this Offer, as well as the return of Equity Shares not accepted under this Offer by the Acquirer may be delayed. In the event SEBI instructs the Acquirer and/or PACs to not proceed with this Offer, then this Offer process shall be withdrawn and the Acquirer and the PACs (through the Manager to the Offer) shall make an announcement of such withdrawal within 2 (two) Working Days of such withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
- 1.4. The Equity Shares tendered in the Offer will be held in trust by the Clearing Corporation, on behalf of the Public Shareholders who have tendered their Equity Shares until the completion of the formalities of this Offer and the Public Shareholders who have tendered their Equity

Shares will not be able to trade in such Equity Shares held in trust by the Clearing Corporation during such period, even if the acceptance of the Equity Shares in this Offer and/or dispatch of payment consideration are delayed. Further, during such period, there could be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. - 1.5. The tendered Equity Shares and documents will be held by the Registrar to the Offer in trust for the Acquirer/PACs, till the process of acceptance of tenders and the payment of consideration is completed. The Public Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer. During such period, there may be fluctuations in the market price of the Equity Shares.
- 1.6. The Public Shareholders should note that under the SEBI (SAST) Regulations, once the Public Shareholders have tendered their Equity Shares in the Offer, they will not be able to withdraw their Equity Shares from the Offer even in the event of a delay in the acceptance of the Equity Shares under the Offer and/or the dispatch of consideration. During such period, there may be fluctuations in the market price of the Equity Shares. However, in case of any further statutory approval(s) being required by the Acquirer at a later date, this Offer shall be subject to such approvals and the Acquirer shall make the necessary applications for obtaining such approvals. In case of delay in receipt of any statutory approval(s), SEBI may, if satisfied that such delay in receipt of the statutory approval(s) was not attributable to any wilful default, failure or neglect on the part of the Acquirer to diligently pursue such approval(s), and subject to such terms and conditions as may be specified by SEBI (including payment of interest in accordance with Regulation 18(11) of the SEBI (SAST) Regulations), grant an extension of

After the expiry of the TSA, due to administrative challenges in PAC 2, audit of PAC-2 for the Calendar Year 2022 and Calendar Year 2023 could not be completed within the Swiss regulatory timeline. Further, at the end of April 2024, Heubach Group GmbH, the erstwhile Holding Company of PAC-2 and a major supplier of PAC-2 i.e. Heubach Colorants Germany GmbH had filed for insolvency which raised concerns on the going concern assessment of PAC-2.

*These factors resulted in non-completion of audit of PAC-2 for the Calendar Year ended December 31, 2022, Calendar Year ended December 31, 2023, and Calendar Year ended December 31, 2024. Accordingly unaudited financial figures are mentioned in the table above.*

\*\* Note: Following steps have been adopted by Banshi S. Mehta & Co., Chartered Accountants to apportion the value per equity share for the purposes of Regulation 8(5):

(a) It is understood by the management that a separate price has not been allocated to the Target Company in the SPA and PTA. Further, the Exhibit 12.1.2 of the PTA allocates a consideration of EURO 7.5 million for PAC-2, which inter-alia held shares of the Target Company.

8.19.1. General:

(a) STT

- i. As the tendering of Equity Shares is being undertaken on the stock exchange, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian stock exchange. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.

(b) Income Tax

- i. The basis of charge of Indian Income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
- ii. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which is received or deemed to be received or accrues or arises or deemed to accrue or arise in India). In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- iii. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- iv. #### 8.21. Classification of Income:

Shares can be classified under the following two categories:

- a) Shares held as investment (Income from transfer of such shares taxable under the head “Capital Gains”)
- b) Shares held as stock-in-trade (Income from transfer of such shares taxable under the head “Profits and Gains from Business or Profession”). As per the current provisions of the IT Act, unless specifically exempted, gains arising from the transfer of shares may be treated either as “Capital Gains” or as “Business Income” for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Shareholders may also refer to Circular No.6/2016 dated February 29, 2016, issued by the Central Board of Direct Taxes (CBDT) in this regard.

- 8.22. **Shares held as investment:** As per the provisions of the IT Act, where the shares are held as investments (i.e., capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”.

Further, Section 2(14) of the IT Act has provided for deemed characterization of securities held by FPIs as capital assets, whether or not such assets have been held as a capital asset; and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.

Capital gains in the hands of shareholders would be computed as per provisions of section 48 of the IT Act and the rate of income-tax would depend on the period of holding.

8.23. **Period of holding:** Depending on the period for which the shares are held, the gains would be taxable as “short-term capital gain/STCG” or “long-term capital gain/LTCG”:

- a) In respect of Equity Shares held for a period less than or equal to 12 months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“STCG”).
- b) Similarly, where Equity Shares are held for a period more than 12 months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “long-term capital gains” (“LTCG”).

8.24. **Tendering of Shares in the Offer through a Recognized Stock Exchange in India:**

Where a transaction for transfer of such Equity Shares (i.e. acceptance under the Open offer) is transacted through a Recognized Stock Exchange and is chargeable to STT, then the taxability will be as under (for all categories of shareholders):

- a) As per the current provisions of the IT Act, under Section 112A of the IT Act, LTCG arising from transfer of Equity Shares exceeding one lakh rupees will be taxed at a rate of 10 percent provided the same has been subjected to STT, upon acquisition and sale.

If no STT is paid on acquisition, then mode of such acquisition should be exempted under the notification issued by CBDT vide Notification No. 60/2018 dated October 1, 2018 in order to get benefit of taxation at 10% under Section 112A of the IT Act. Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under Section 112A of the IT Act.

- b) LTCG that arise on shares purchased prior to February 1, 2018 shall be grandfathered for the notional gains earned on such shares till January 31, 2018 as per Section 55 of IT Act.

For computing capital gains under the grandfathering regime, the cost of acquisition for the long-term capital asset acquired on or before January 31, 2018 will be the actual cost. However, if the actual cost is less than the fair market value of such asset as on January 31, 2018, the fair market value will be deemed to be the cost of acquisition.

Further, if the full value of consideration on transfer is less than the fair market value, then such full value of consideration or the actual cost, whichever is higher, will be deemed to be the cost of acquisition.

- c) LTCG, as computed u/s. 112A, will not be liable to tax to the extent not exceeding Rs. 1,00,000 (Rupees One lakh only).

Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.

- d) Where provisions of section 112A of the IT Act are not applicable (for example where STT was not paid at the time of acquisition of the Equity Shares):
- i. LTCG will be chargeable to tax at the rate of up to 20% (plus applicable surcharge and health and education cess) in the case of a non-resident Public Shareholder (other than a FPI/FII, or a NRI who is governed by the provisions of Chapter XII-A of the IT Act) in accordance with provisions of section 112 of the IT Act.
  - ii. In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) in accordance with provisions of section 115AD of the IT Act (without benefit of indexation and foreign exchange fluctuation).
  - iii. For a NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) under Section 115E of the IT Act on meeting certain conditions. While computing the LTCG, the benefit of indexation of cost may not be available.
  - iv. For a resident Public Shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and health and education cess) without indexation. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is to be considered while computing the income-tax on such LTCG.
  - v. Long term capital loss computed for a given year is allowed to be set-off only against LTCG computed for the said year, in terms of Section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off only against subsequent years' LTCG, in terms of Section 74 of the IT Act.
- e) As per the current provisions of the IT Act, STCG arising from such transaction, which is subject to STT, would be subject to tax @ 15% under section 111A of the IT Act. Further, no deduction under Chapter VI-A would be allowed in computing STCG subject to tax under Section 111A of the IT Act.
- f) In case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the income-tax on such STCG taxable under section 111A of the IT Act.
- g) Under Section 115AD(1)(ii) of the IT Act, STCG arising to a FII on transfer of shares (STT paid) will be chargeable at the rate of 15%.
- h) As per Section 70 of the IT Act, short term capital loss computed for a given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set-off against subsequent years' STCG as well as LTCG, in terms of Section 74 of the IT Act.

- i) Non-resident shareholder can avail benefits of the DTAA between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions as prescribed under the relevant DTAA read with MLI as may be in effect, and non-applicability of GAAR and providing and maintaining necessary information and documents as prescribed under the IT Act.
- j) As per the current provisions of the IT Act, in addition to the above STCG and LTCG tax, surcharge and health and education cess are leviable.

#### 8.25. Investment Funds

Under Section 10(23FBA) of the IT Act, any income of an Investment Fund, other than the income chargeable under the head “Profits and gains of business or profession” would be exempt from income-tax on fulfilment of certain conditions specified therein. For this purpose, an “Investment Fund” means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012.

#### 8.26. Mutual Funds

Under Section 10(23D) of the IT Act, any income of mutual funds registered under the Securities and Exchange Board of India Act, 1992 or regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorised by the Reserve Bank of India and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.

#### 8.27. Shares held as Stock-in-Trade:

- a) If the shares are held as stock-in-trade by any of the shareholders of the Target Company, then the gains would be characterized as business income and taxable under the head “Profits and Gains from Business or Profession”.
- b) Resident Shareholders Profits of:
  - i. Individuals, HUF, AOP and BOI will be taxable at applicable slab rates.
  - ii. Domestic companies having turnover or gross receipts not exceeding Rs. 400 crore in the relevant financial year as prescribed will be taxable @ 25%.
  - iii. Domestic companies which have opted for concessional tax regime under Section 115BAA will be taxable at 22%.
  - iv. For persons other than stated above, profits will be taxable @ 30%.
  - v. No benefit of indexation by virtue of period of holding will be available in any case
- c) Non-Resident Shareholders: Non-resident shareholders can avail beneficial provisions of the applicable DTAA, read with the MLI, entered into between India and the respective country of which the said shareholder is tax resident, subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

- d) Where DTAA provisions are not applicable:
- i. No benefit of indexation by virtue of period of holding will be available in any case.
  - ii. For non-resident individuals, HUF, AOP, BOI, profits would be taxable at applicable slab rates.
  - iii. For foreign companies, profits would be taxed in India @ 40%.
  - iv. For other non-resident shareholders, such as foreign firms, profits would be taxed in India @ 30%.
- e) Other Matters: Further, the provisions of Minimum Alternate Tax on the book profits as contained in Section 115JB of the IT Act or Alternate Minimum Tax contained in Section 115JC of the IT Act, as the case may be, also need to be considered by the shareholders (other than resident company which has opted for concessional tax regime under Section 115BAA or Section 115BAB of the IT Act). Foreign companies will not be subject to MAT if the country of residence of such of the foreign country has entered into a DTAA with India under Sections 90/90A of the IT Act and such foreign company does not have a permanent establishment in India in terms of the DTAA. In case where the said conditions are not satisfied, MAT will be applicable to the foreign company. In case of non-corporate shareholders, applicability of the provisions of Alternative Minimum Tax as per Section 115JC of the IT Act will also need to be analyzed depending on the facts of each case.

#### 8.28. Tax Deduction at Source

- a) Resident Shareholders: In absence of any specific provision under the IT Act, the Acquirer is not required to deduct tax on the consideration payable to the shareholders pursuant to Tendering of the listed Equity Shares under the Offer on recognized stock exchange in India.
- b) Non-Resident Shareholders:
- i. In case of FIIs: Section 196D of the IT Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FIIs. Thus, no withholding of tax is required in case of consideration payable to FIIs/FPIs, subject to fulfilment of the following conditions:
    - FIIs/FPIs furnishing the copy of the registration certificate issued by SEBI (including for subaccount of FII/FPI, if any);
    - FIIs/FPIs declaring that they have invested in the Equity Shares in accordance with the applicable SEBI regulations and will be liable to pay tax on their income as per the provisions of the IT Act.
    - If the above conditions are not satisfied, FIIs/FPIs may submit a valid and effective certificate for deduction of tax at a nil/lower rate issued by the income tax authorities under the IT Act (“TDC”), along with the Form of Acceptance-cum-Acknowledgement, indicating the amount of tax to be deducted by the Acquirer before remitting the consideration. The Acquirer shall deduct tax in accordance with such TDC.
  - ii. In case of non-resident tax payer (other than FIIs): Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source

(including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so, tax at source (including applicable surcharge and cess) shall be deducted at appropriate rates as per the IT Act read with the provisions of the relevant DTAA and MLI, if applicable. In doing this, the Acquirer will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

- 8.28.1. However, the Acquirer will not be able to deduct income-tax at source on the consideration payable to such non-resident shareholders as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the stock exchange, and there will be no direct payment by the Acquirer to the non-resident shareholders.
- 8.28.2. Since the tendering of the Equity Shares under the Offer is through the stock exchange, the responsibility to discharge tax due on the gains (if any) is primarily on the non-resident shareholder given that practically it is very difficult to withhold taxes. The Acquirer believes that the responsibility of withholding/discharge of the taxes due on such gains (if any) on sale of Equity Shares is solely on the non-resident shareholders. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians, authorized dealers and/or tax advisors, as appropriate.
- 8.28.3. In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified. The non-resident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

**8.29. Remittance/Payment of Interest:**

- a) In case of interest, if any, paid by the Acquirer to resident and non-resident shareholder for delay in receipt of statutory approvals as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event, the Acquirer decides to withhold tax, the same shall be basis the documents submitted along with the form of acceptance or such additional documents as may be called for by the Acquirer. It is recommended that the shareholders consult their custodians/ authorized dealers/ tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer should be indemnified.
- b) The shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The shareholders also undertake to provide the Acquirer, on demand, the

relevant details in respect of the taxability/ non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.

8.30. **Rate of Surcharge and Cess:** As per the current provisions of the IT Act, in addition to the basic tax rate, surcharge, health and education cess are leviable. Summary of the same is provided below:

Surcharge:

- i. In case of domestic companies:  
Surcharge @ 12% is leviable where the total income exceeds Rs. 10 crore and @ 7% where the total income exceeds Rs. 1 crore but less than Rs. 10 crore for companies not opting for tax regime u/s. 115BAA and 115BAB.  
In case of domestic companies which are liable to pay tax under section 115BAA or section 115BAB: Surcharge @ 10% is leviable

Surcharge at the rate of 25% is leviable where the total income exceeds Rs. 2 crore but does not exceed Rs. 5 crore.  
Surcharge at the rate of 37% is leviable where the total income exceeds Rs. 5 crore. However, for the purpose of income chargeable under section 111A, 112, 112A and 115AD(1)(b) (for income chargeable to tax under the head capital gains), the surcharge rate shall not exceed 15%.
- iv. In case of Firm and Local Authority: Surcharge @12% is leviable where the total income exceeds Rs. 1 crore. Cess: Cess Health and Education Cess @ 4% is currently leviable in all cases.
