During the Inaugural ceremony on 24th April in Kothrud, Mr. Nandu Kulkarni of Acuminate Consulting & Technologies Private Limited, **franchisee of CMC Academy** said “Pune has a growing IT and Services sector and is an Education and Training hub attracting students from the region and across the country. CMC Academy will enable graduates and students pursuing graduation in any field to get them ready for IT Jobs. We are delighted to be associated with CMC, in their education & training initiative”

CMC Academy, Kothrud, will offer flagship Diploma Programs like **CMC GRAD** in software engineering and IT Infrastructure Management and its Accelerated version for 2012 Graduates; **CMC EDGE**, advanced Diploma for Engineering and Science Graduates and a host of entry-level and high-end short term courses for professionals.
